**John C. McManus**

## **Across The Dark Islands The War In The Pacific:**

**Across the Dark Islands** Floyd W. Radike, 2007-12-18 **ACROSS THE DARK ISLANDS** The War in the Pacific Floyd W Radike Brigadier General U S Army Ret I remember sitting in a foxhole on Guadalcanal in the rain The sergeant I shared the hole with shook his head and asked me What in the hell are we doing on this godforsaken island Why don t we let the Japs keep this stinking rock I didn t have an answer The war in the Pacific has never been portrayed more honestly or in prose more powerful than in *Across the Dark Islands* In this unflinching account Brig Gen Floyd W Radike remembers how he started his military career in the mud and mayhem of Guadalcanal fighting a campaign as crucial to the war s outcome as it was chaotic and cruel Here is no whitewashed view of that war or the men who waged it Here instead is the sobering story of a junior officer in a National Guard unit suddenly shipped off to the front lines disdained by regular army elitists who served beside him and given second class status so that others could earn headlines and promotions While struggling to survive amid dirt and disease routine and monotony Radike endured harrowing missions incompetently arrogantly or just impatiently planned As no book ever has *Across the Dark Islands* reveals shocking details removed from myth and sentimentality how American commanders were intimidated by the Japanese stereotype of fearlessness night attacks and cries of banzai how imitations of John Wayne heroics caused immediate death threats of court martial quieted accusations of Army injustice and panic and flight destroyed a fight for the enemy s Munda Field airstrip an event that disappeared from the record and appears in no official history Emerging from the hellish conditions and military miscalculations is a tribute to common sense courage and respect for proper procedure attributes that would help the author and soldiers like him to save their lives succeed in battle and win the war From Guadalcanal to the Philippines to a planned invasion of Japan ended by the atom bomb General Radike s experience spanned the entire course of the pivotal Pacific theater conflict Candid and cautionary his memoir is an important work whose writing rivals that of classic novels like James Jones s *The Thin Red Line* and Norman Mailer s *The Naked and the Dead* It should be read by anyone looking to join an army or wage a war *Mothers' Darlings of the South Pacific* Judith A. Bennett, Angela Wanhalla, 2016-03-31 Over the course of World War II two million American military personnel occupied bases throughout the South Pacific leaving behind a human legacy of at least 4 000 children born to indigenous mothers Based on interviews conducted with many of these American indigenous children and several of the surviving mothers *Mothers Darlings of the South Pacific* explores the intimate relationships that existed between untold numbers of U S servicemen and indigenous women during the war and considers the fate of their mixed race children These relationships developed in the major U S bases of the South Pacific Command from Bora Bora in the east across to Solomon Islands in the west and from the Gilbert Islands in the north to New Zealand in the southernmost region of the Pacific The American military command carefully managed interpersonal encounters between the sexes applying race based U S immigration law on Pacific peoples to prevent marriage across the color line For indigenous women and their American

servicemen sweethearts legal marriage was impossible giving rise to a generation of fatherless children most of whom grew up wanting to know more about their American lineage Mothers Darlings of the South Pacific traces these children s stories of loss emotion longing and identity and of lives lived in the shadow of global war Each chapter discusses the context of the particular island societies and shows how this often determined the ways intimate relationships developed and were accommodated during the war years and beyond Oral histories reveal what the records of colonial governments and the military have largely ignored providing a perspective on the effects of the U S occupation that until now has been disregarded by Pacific war historians The richness of this book will appeal to those interested the Pacific World War II as well as intimacy family race relations colonialism identity and the legal structures of U S immigration Pacific Blitzkrieg Sharon Tosi Lacey, 2013-10-15 Pacific Blitzkrieg closely examines the planning preparation and execution of ground operations for five major invasions in the Central Pacific Guadalcanal Tarawa the Marshalls Saipan and Okinawa The commanders on the ground had to integrate the U S Army and Marine Corps into a single striking force something that would have been difficult in peacetime but in the midst of a great global war it was a monumental task Yet ultimate success in the Pacific rested on this crucial if somewhat strained partnership and its accomplishments Despite the thousands of works covering almost every aspect of World War II in the Pacific until now no one has examined the detailed mechanics behind this transformation at the corps and division level Sharon Tosi Lacey makes extensive use of previously untapped primary research material to re examine the development of joint ground operations the rapid transformation of tactics and equipment and the evolution of command relationships between army and marine leadership This joint venture was the result of difficult and patient work by commanders and evolving staffs who acted upon the lessons of each engagement with remarkable speed For every brilliant strategic and operational decision of the war there were thousands of minute actions and adaptations that made such brilliance possible Lacey examines the Smith vs Smith controversy during the Saipan invasion using newly discovered primary source material Saipan was not the first time General Howlin Mad Smith had created friction Lacey reveals how Smith s blatant partisanship and inability to get along with others nearly brought the American march across the Pacific to a halt Pacific Blitzkrieg explores the combat in each invasion to show how the battles were planned how raw recruits were turned into efficient combat forces how battle doctrine was created on the fly and how every service remade itself as new and more deadly weapons continuously changed the character of the war This book will be a must read for anyone who wants to get a behind the scenes story of the victory Pacific Blitzkrieg is not only a major contribution to our understanding of the Pacific War but is also a delight to read Lacey demolishes the belief widely held among students of the Pacific War that a deep gulf lay between the Marine Corps and the Army In every respect Pacific Blitzkrieg is what one should expect from a scholarly book well researched well argued and coherent Williamson Murray coauthor of A War to Be Won Fighting the Second World War This is a significantly fresh approach in that it goes beyond the

Army Marine controversies best exemplified by Smith versus Smith It does so by explaining their genesis in institutional and personal terms then showing how both services marginalized the controversies during the war in the interest of resolving the real problem crossing the central Pacific with minimum cost and maximum effectiveness Dennis E Showalter author of Hitler's Panzers and Patton and Rommel Pacific Blitzkrieg is an exceptional analysis of U S joint amphibious operations against Japan during World War II Lacey clearly demonstrates that despite the heat of the Smith versus Smith controversy during the invasion of Saipan in fact U S Army and Marine units and commanders cooperated far better than the published historical record to date suggests A must read for current and future joint force commanders and their staffs Peter R Mansoor author of The GI Offensive in Europe The Triumph of American Infantry Divisions 1941 1945 *Fire and Fortitude* John C. McManus,2020-08-04 WINNER OF THE GILDER LEHRMAN PRIZE FOR MILITARY HISTORY An engrossing epic history of the US Army in the Pacific War from the acclaimed author of The Dead and Those About to Die This eloquent and powerful narrative is military history written the way it should be James M McPherson Pulitzer Prize winning historian Out here mention is seldom seen of the achievements of the Army ground troops wrote one officer in the fall of 1943 whereas the Marines are blown up to the skies Even today the Marines are celebrated as the victors of the Pacific a reflection of a well deserved reputation for valor Yet the majority of fighting and dying in the war against Japan was done not by Marines but by unsung Army soldiers John C McManus one of our most highly acclaimed historians of World War II takes readers from Pearl Harbor a rude awakening for a military woefully unprepared for war to Makin a sliver of coral reef where the Army was tested against the increasingly desperate Japanese In between were nearly two years of punishing combat as the Army transformed at times unsteadily from an undertrained garrison force into an unstoppable juggernaut and America evolved from an inward looking nation into a global superpower At the pinnacle of this richly told story are the generals Douglas MacArthur a military autocrat driven by his dysfunctional lust for fame and power Robert Eichelberger perhaps the greatest commander in the theater yet consigned to obscurity by MacArthur's jealousy Vinegar Joe Stillwell a prickly soldier miscast in a diplomat's role and Walter Krueger a German born officer who came to lead the largest American ground force in the Pacific Enriching the narrative are the voices of men otherwise lost to history the uncelebrated Army grunts who endured stifling temperatures apocalyptic tropical storms rampant malaria and other diseases as well as a fanatical enemy bent on total destruction This is an essential ambitious book the first of three volumes a compellingly written and boldly revisionist account of a war that reshaped the American military and the globe and continues to resonate today INCLUDES MAPS AND PHOTOS **Pacific Crucible** Ian W. Toll,2012 Draws on eyewitness accounts and primary sources to describe the first months of World War II in the Pacific after the U S Navy suffered the worst defeat in its history at Pearl Harbor Battling in the Pacific Susan Provost Beller,2008-01-01 Examines the life of American soldiers fighting in the Pacific during World War II **The Conquering Tide** Ian W. Toll,2015-09-21 A New York Times Bestseller A beautiful blend of history and prose

and proves again Mr Toll s mastery of the naval war narrative Wall Street Journal This masterful history encompasses the heart of the Pacific War the period between mid 1942 and mid 1944 when parallel Allied counteroffensives north and south of the equator washed over Japan s far flung island empire like a conquering tide concluding with Japan s irreversible strategic defeat in the Marianas It was the largest bloodiest most costly most technically innovative and logistically complicated amphibious war in history and it fostered bitter interservice rivalries leaving wounds that even victory could not heal Often overlooked these are the years and fights that decided the Pacific War Ian W Toll s battle scenes in the air at sea and in the jungles are simply riveting He also takes the reader into the wartime councils in Washington and Tokyo where politics and strategy often collided and into the struggle to mobilize wartime production which was the secret of Allied victory Brilliantly researched the narrative is propelled and colored by firsthand accounts letters diaries debriefings and memoirs that are the raw material of the telling details shrewd judgment and penetrating insight of this magisterial history This volume continuing the marvelously readable dramatic narrative San Francisco Chronicle of Pacific Crucible marks the second installment of the Pacific War Trilogy which will stand as the first history of the entire Pacific War to be published in at least twenty five years

**To the End of the Earth** John C. McManus, 2023-05-02 Winner of the Army Historical Foundation Award for Excellence in U S Army Writing From the liberation of the Philippines to the Japanese surrender the final volume of John C McManus s trilogy on the US Army in the Pacific War Brilliant and riveting a truly great book Gen David Petraeus Triumphant and compelling Richard Frank McManus is one of the best if not the best World War II historians working today World War II magazine The dawn of 1945 finds a US Army at its peak in the Pacific Allied victory over Japan is all but assured The only question is how many more months or years of fight does the enemy have left John C McManus winner of the Gilder Lehrman Prize for Military History concludes his magisterial series described by the Wall Street Journal as being as vast and splendid as Rick Atkinson s Pulitzer Prize winning Liberation Trilogy with this brilliant final volume On the island of Luzon a months long stand off between US and Japanese troops finally breaks open as American soldiers push into Manila while paratroopers and amphibious invaders capture nearby Corregidor The Philippines are soon liberated and Allied strategists turn their eyes to China Iwo Jima Okinawa and the Japanese home islands themselves Readers will walk in the boots of American soldiers and officers braving intense heat rampant disease and a by now suicidal enemy determined to kill as many opponents as possible before defeat and they will encounter Japanese soldiers faced with the terrible choice between capitulation or doom At the same time this outstanding narrative lays bare the titanic ego and ambition of the Pacific War s most prominent general Douglas MacArthur and the complex challenges he faced in Japan s unconditional surrender and America s lengthy occupation

**Between the Lines of World War II** Paul M. Edwards, 2014-01-10 This is a collection of 21 accounts of people and events that illuminate the strange adventures mysterious circumstances extreme behaviors and forgotten tragedies of World War II Ranging from a look at Adolf Hitler s children factory to the smuggling of gold bullion from the

besieged island of Corregidor to those who flew with the Chinese Air Force against Japan years before the more famous Flying Tigers these accounts provide insight into the larger scope of the war Armor ,2005

## **Across The Dark Islands The War In The Pacific** Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **Across The Dark Islands The War In The Pacific**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.

### **Across The Dark Islands The War In The Pacific Introduction**

In today's digital age, the availability of Across The Dark Islands The War In The Pacific books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Across The Dark Islands The War In The Pacific books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Across The Dark Islands The War In The Pacific books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Across The Dark Islands The War In The Pacific versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Across The Dark Islands The War In The Pacific books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Across The Dark Islands The War In The Pacific books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Across The Dark Islands The War In The Pacific books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Across The Dark Islands The War In The Pacific books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Across The Dark Islands The War In The Pacific books and manuals for download and embark on your journey of knowledge?

### FAQs About Across The Dark Islands The War In The Pacific Books

**What is a Across The Dark Islands The War In The Pacific PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Across The Dark Islands The War In The Pacific PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Across The Dark Islands The War In The Pacific PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Across The Dark Islands The War In The Pacific PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs

in different formats. **How do I password-protect a Across The Dark Islands The War In The Pacific PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
