

How to be a Better actor

1 relationship Make it about your connection to the other person and your environment. Who are they to you? Where are you?

You always have a need or a want when talking to someone. Discover what this is but realize this can change many times during a conversation!

need 2

3 history Create a life using your imagination. The more specific, the stronger the connection.

Use yourself absolutely, bring yourself through but you cannot just BE yourself.

personalisation 4

5 mask/core We have many layers, discover what to show/hide. Because as humans we sometimes hide our true feelings/emotions with things like humor or anger.

Embrace them!!! Celebrate what is unique about you! You are Delicious!

imperfections 6

7 controlstop! Live in the unknown and let go of control. We are not meant to be perfect.

Bring the lightness into the conversation. Even in some of the darkest of times humor helps in many ways.

humour 8

9 moment to moment Dont get stuck on YOU. You must react to what is in front of you but most importantly, you must be open and ready to react in a way you may not have thought of.

Create. Create. Create. Your imagination is limitless! So dive deep into it, to create, a fully fleshed, beautifully flawed, layered life!
