Action And Agency Fourth Round Table On Law And Semiotics:

Legal Signs Fascinate Jan M. Broekman, Frank Fleerackers, 2017-10-24 This engaging book examines the origins and first effects of the concept legal semiotics focusing on the inventor of the term Roberta Kevelson 1931 1998 It highlights the importance of her ideas and works which have contributed to legal theory legal interpretation and philosophy of language Kevelson s work is particularly relevant today in our world of global electronic communication networks which rely so much on language signs signals and shortcuts Kevelson could not have foreseen the 21st century yet the story of her work and influence deserves more attention as it is key to our understanding of modern legal discourse and why law fascinates and is accepted in modern society The authors draw on Kevelson s hitherto unknown Office Papers and Notes and a biographical examination points to key influences in her work such as the early feminist movements of the US East Coast the philosophy of Charles Sanders Peirce and the semiotics of Thomas Sebeok This forms the basis for a more encompassing research of Kevelson s position work and philosophical background which the authors call for A quick and enlightening read this book interests a wide range of readers with an interest in legal history and the fields which Kevelson both drew on and influenced including lawyers students and scholars

Action and Agency Roberta Kevelson, 1991 The Law uses the terms Action and Agency in several significant ways which connect them with modern semiotic theory In Law one of the main contexts for the idea of Acts is in Speech Acts which have become a major aspect of the philosophy of Language in the twentieth century to Peirce as the father of modern Semiotics all thought is action and thought has meaning to the extent that it has consequences in the world Agency in law is inseparable from the idea of a Legal Actor and refers to powers which are conferred by a Principal upon a representator to a Third Party Legal Agents are mediators in law as signs are mediators of interpreted meaning in semiotic theory and semiotic processes This collection of papers is a transcultural and transdisciplinary project in law and semiotics by distinguished scholars

Epistolary Fiction in Europe, 1500-1850 Thomas O. Beebee, 1999-03-28 This book explores epistolary fiction as a major phenomenon across Europe from the Renaissance to the nineteenth century

Cultural Software J. M. Balkin, 1998-01-01 In this book J M Balkin offers a strikingly original theory of cultural evolution a theory that explains shared understandings disagreement and diversity within cultures Drawing on many fields of study including anthropology evolutionary theory cognitive science linguistics sociology political theory philosophy social psychology and law the author explores how cultures grow and spread how shared understandings arise and how people of different cultures can understand and evaluate each other s views Cultural evolution occurs through the transmission of cultural information and know how cultural software in human minds Balkin says Individuals embody cultural software and spread it to others through communication and social learning Ideology the author contends is neither a special nor a pathological form of thought but an ordinary product of the evolution of cultural software Because cultural understanding is a patchwork of older imperfect tools that are continually adapted to solve new problems human understanding is partly

adequate and partly inadequate to the pursuit of justice Balkin presents numerous examples that illuminate the sources of ideological effects and their contributions to injustice He also enters the current debate over multiculturalism applying his theory to problems of mutual understanding between people who hold different worldviews He argues that cultural understanding presupposes transcendent ideals and shows how both ideological analysis of others and ideological self criticism are possible

Law and Semiotics Roberta Kevelson, 1987 Proceedings of a round table May 1989 at Reading Pennsylvania The 21 papers discuss aspects of property and discovery in law The authors are from both legal and humanities disciplines and from a wide range of countries The topics include the official bending of law to enforce implied value ju

Law and Economics Robin Paul Malloy, Christopher K. Braun, 1995 Law and Economics New and Critical Perspectives is a unique collection of original scholarly essays In this one book the editors have assembled the contributions of many of the leading scholars in law and economics and have succeeded in capturing the breadth and depth of current debates within the field There are essays describing the multiple perspectives and conflicting approaches to law and economics as well as contributions that apply the law and economics method to a variety of particular social problems The essays show that law and economics analysis has evolved into a rich discourse with political economic and social consequences This book will be of interest to a wide variety of researchers and students concerned with interdisciplinary approaches to some of our most pressing social problems

Pragmatism and Judicial Choice Denis J. Brion, 2003 A central focus of scholarly discourse in law is the phenomenon of endemic change in the substantive content of judicial doctrine the manifest structure of rules and principles that determine the outcomes of litigated disputes This discourse constitutes a debate over whether this phenomenon undermines the legitimacy of the judicial process in the Rule of Law system by which the society of the United States is popularly perceived to be governed Pragmatism and Judicial Choice is a collection of essays that use the concepts of semiotics to subject various aspects of the judicial process in the United States to analysis and critique for the purpose of demonstrating that endemic instability does not undermine judicial legitimacy but instead is an inevitable consequence of the judicial process when it is functioning in a manner consistent with its institutional nature
