Active Meetings On Basic Christianity:

Active Meetings on Basic Christianity, 1991-01-01 **Church Meetings That Work** Gaylord Noyce, 2012-12-24
The Curriculum and Small Group Resource Guide Judy Hamlin, 1991 Handbook of African Catholicism Ilo, Stan Chu, 2022-07-13 A disciplinary map for understanding African Catholicism today by engaging some of the most pressing and pertinent issues topics and conversations in diverse fields of studies in African Catholicism **Meeting Jesus the Christ Again** Robert Chesnut, 2017-06-20 The religion of Jesus or the religion about Jesus The cross as Christ's atoning sacrifice or as a courageous prophetic martyrdom With a pastoral prophetic voice and insights derived from a lifetime in parish ministry and theological education Meeting Jesus the Christ Again encourages the reader to rethink these and other hotly disputed issues of Christian faith Taking a big picture perspective and seeking common ground Chesnut points us toward a neo classical faith This engaging book calls us back to the vital center of historic Christian faith *Creating Christian Communities* Richard R. Diefenderfer, 2003 **Christians Meeting Hindus** Bob Robinson, 2011-06-16 With rare exceptions serious intentional reflective and sustained interfaith encounter is a novel and recent enterprise This book looks in detail at one such encounter the intentional recent Hindu Christian dialog in India and asks why and how the practice of dialog came to replace previous attitudes of confrontation and monologue especially on the part of Christians Part I sets the encounter in its global context Part II offers a comprehensive and critical analysis of the actual encounter Part III draws on aspects of the Christian tradition as it critically examines the ways in which the dialog has been justified in Christological categories A final chapter discusses the future of the encounter Unlike many other works in the area of interfaith studies this work combines both descriptive detail of the actual encounter and critical theological analysis of the strengths and weakness of the dialog model **Quakerism: The Basics** Margery Post Abbott, Carl Abbott, 2020-12-14 Quakerism The Basics is an accessible and engaging introduction to the history and diverse approaches and ideas associated with the Religious Society of Friends This small religion incorporates a wide geographic spread and varied beliefs that range from evangelical Christians to non theists Topics covered include Quaker values in action The first generations of Quakerism Quakerism in the eighteenth and nineteenth centuries Belief and activism Worship and practice Quakerism around the world The future of Quakerism With helpful features including suggested readings timelines a glossary and a guide to Quakers in fiction this book is an ideal starting point for students and scholars approaching Quakerism for the first time as well as those interested in deepening their understanding **Providence and Empire** Stewart Brown, 2014-01-09 The 19th century was to a large extent the British century Great Britain was the great world power and its institutions beliefs and values had an immense impact on the world far beyond its formal empire Providence and Empire argues that knowledge of the religious thought of the time is crucial in understanding the British imperial story The churches of the United Kingdom were the greatest suppliers of missionaries to the world and there was a widespread belief that Britain had a divine mission to spread Christianity and

civilisation to eradicate slavery and to help usher in the millennium the Empire had a providential purpose in the world This is the first connected account of the interactions of religion politics and society in England Scotland Ireland and Wales between 1815 and 1914 Providence and Empire is essential reading for any student who wishes to gain an insight into the social political and cultural life of this period The Riddle of Christian Mystical Experience Paul Mommaers, 2003 A distinctive feature of mystical experience is that it is imageless Mystics of various traditions witness indeed to their going beyond all intermediaries so as to enjoy immediate union Understandably the idea of imageless immediacy is attractive and it is especially in vogue with those who hope to discover that different religious spiritualities converge if only the particularity of say the Christian way would be left behind However a crucial question arises here If mystical union consists in simply transcending what is part and parcel of the human condition where is its relevance Is the mystic as such in a position to be his or her human self thinking and loving enjoying and suffering Can he or she be active in the world of humankind Obviously it is especially in the Christian tradition that this matter comes to the fore as a radical difficulty For here there is the divine Image and Mediator so much so that the Humanity of Jesus ought to be integral to a person's union with God Perhaps the Christian mystic is such an extraordinary figure that the Humanity and all other images and intermediaries are for him or her at best a stepping stone that is bound to disappear The Riddle of Christian Mystical Experience aims to clarify this issue by analyzing the writings of such visionaries as Julian of Norwich Teresa of Avila and Maria Petyt of the ecstasy minded masters Richard of Saint Victor Bernard of Clairvaux and Bonaventure describing Francis of Assisi's experience of the cream of the Flemish mystics namely Hadewijch and Jan van Ruusbroec Nevertheless the preference for the mystical text does not prevent the Riddle from drawing on the insights of modern philosophers such as Jean Paul Sartre and Jean Luc Marion when treating of images and idols or Michael Polanyi and Ludwig Wittgenstein when reflecting on intermediaries The main result of this procedure may come as a surprise Far from turning into a detached creature who forgets about the Humanity and the human the full fledged mystic is as a Flemish mystic puts it wholly in God where he rests in enjoyment and wholly in himself where he loves with works Experiencing union with intermediary and without intermediary the true Christian mystic is unimaged as well as imaged upon the humanity of our Lord through heartfelt affection
