Acts 1 13 Torrance Edition:

Thomas F. Torrance's Theology of the Ascension Stavan Narendra John, 2025-05-29 The ascension is a crucial doctrine integrally related to the incarnation When it is underemphasized it results in an impoverishment of our theology of Christ the church human beings and eschatology T F Torrance s theology offers a compelling vision and holistic doctrine of the ascension that notwithstanding its flaws deserves a careful and detailed examination Torrance develops a holistic account of the ascension by considering the ontology spatiality and present ministry of the ascended Jesus What results is a theological construction that affirms the ascended body of Christ and understands the Lord to be currently serving as our human representative in a ministry of priestly intercession prophetic declaration and ascended kingship Torrance is able to do this without succumbing to literalism space travel demythologization metaphorical reading or Pelagianism human effort based sanctification and glorification This book interprets and then develops Torrance s theology of the ascension in critical dialogue with contemporary theological interlocutors

Bierma, 2021 Font of Pardon and New Life is a study of the historical development of John Calvin s doctrine of baptism both adult or believer baptism and infant baptism In a chronological examination of Calvin s writings his Institutes commentaries on the Bible catechisms polemical treatises and consensus documents the book addresses the question of what in Calvin s view spiritually takes place in an individual when he or she is baptized and it analyzes the impact of Calvin s baptismal doctrine on the major Reformed confessions and catechisms of the sixteenth and seventeenth centuries

Luke's Portrait of Gentiles Prior to Their Coming to Faith Christoph W. Stenschke, 1999 Christoph W Stenschke examines Luke s portrait of the Gentiles state prior to their coming to Christian faith Following the history of research he commences with Luke s direct references to the Gentiles prior to faith and then draws conclusions concerning their state from the Gentile encounter with Jesus and Christian salvation This includes Luke s notes on the condition of Gentiles and on their appropriation of salvation Finally conclusions from Luke s portrayal of Gentile Christians are drawn With his approach Christoph W Stenschke challenges some previous contributions to Lukan anthropology He argues that the main study in the field J W Taeger *Der Mensch und sein Heil* does not sufficiently consider all the evidence By concentrating on the Gentiles in Luke Act including Samaritans and God fearers the author s thesis covers all the relevant material Contrary to Taeger who suggests that Gentiles do not need salvation as much as correction he discovers that Luke portrays Gentiles prior to faith in a condition

requiring God's saving intervention Thorough correction has to accompany and follow this salvation Though allowing for distinct Lukan emphases this portrait is not essentially at odds with that of other NT authors These results further show that the Areopagus speech needs to and can be satisfactorily interpreted in its context and in conjunction with similar statements The author further argues that Luke's narrative sections and the characterization they present should no longer be neglected in favour of the speeches Luke's portrayal of Gentiles prior to faith also bears on his understanding of sin and provides additional justification for the Gentile mission Christoph W Stenschke challenges proposals of Luke's alleged anti Judaism and provides some hitherto little noticed correctives *Being Saved* Marc Cortez ,Joshua R. Farris ,S. Mark

Hamilton,2018-08-30 With contributions from leading theologians and philosophers *Being Saved* Explorations in Human Salvation brings together a series of essays on the major topics relating to the doctrine of salvation The book provides readers with a critical resource that consists of an integrative philosophical theological method and will invigorate this much needed discussion Contributors include Oliver Crisp Fuller Theological Seminary Paul Helm Regent College Vancouver and Highland Theological College Scotland Joanna Leidenhag University of Edinburgh Andrew Loke Hong Kong University

The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Three James Leo Garrett Jr.,2019-08-29 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In *The Collected Writings of James Leo Garrett Jr 1950-2015* the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many Volume 3 contains his works on ecclesiology and provides much needed light in a day of great confusion on many issues related to the nature purpose and mission of the church Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life *The Collected Writings of James Leo Garrett Jr 1950-2015* will inform and inspire readers regardless of their religious or denominational affiliations

The Lord's Supper Dale Stoffer,2019-10-28 This work gives a stimulating overview of the history theology and practice of the Lord's Supper in denominations that share the common heritage of believers baptism The essays first developed for a major conference at Ashland Theological Seminary discuss sharing the bread and cup footwashing and the love feast Several scholars examine the witness of Scripture and of church history on communion Others describe the current practice and theology of the Lord's Supper in denominations as varied as Baptist and Quaker Seventh Day Adventist and African Methodist Church conferences beginning in 1967 and their related publications Here is a rare opportunity to observe the special significance of this sacred ceremony in believers church *Luke's Rhetorical Compositions* Paul Elbert,2022-07-19 *Luke's Rhetorical Compositions* offers new ideas in Lukan scholarship especially in regard to Aelius Theon's first century rhetoric manual *Progymnasmata* and inter textual Lukan Pauline biblical studies Two chapters deserve special mention the

material in chapter 3 is a groundbreaking discussion of Acts 2:38 in which its Greek verb tense speaks to the subsequent reception of the gift of the Holy Spirit following salvation not coincident with salvation. In Acts 2:38 it is Luke's intention to portray Peter as promising the gift of the Holy Spirit to hearers and to those beyond narrative time as a Pentecostal experience. Chapter 9 discusses Luke's use of progymnasmatic examples in his descriptions of the salvation experience. It also discusses Luke's clarification of Paul using narrative persuasion from Jesus' tradition and history. Also, Luke's use of basic soteriological vocabulary provides clarity and plausibility. His distinctive selection of examples from the Jesus tradition and his duplication of Paul's soteriological vocabulary is very helpful.
