On the Road (Vagabonds #2) Jade C. Jamison, 2015-12-21 All that glitters isn t gold Sometimes it s just plastic I m living my rock star dream so I should be happy right Except it doesn t take me long to figure out it s not all it s cracked up to be Our manager is a controlling a hole and I m ready to kill our vocalist who thinks she s God s gift to the world But that s not even the worst of it With little supervision and too much freedom comes trouble Because rock n roll s companions are sex and drugs I and my bandmates discover them quickly Before long my dream becomes a dark nightmare The one glimmer of hope in my life is CJ but our relationship is flimsy at best When I give him my body he takes my heart and I soon realize that he won t commit And I refuse to admit I want more As my world spirals out of control I wonder if I ll be able to save my band my friends and my bleeding heart before it s too late This book deals with some pretty hard hitting issues but it was really well written and done so well I was completely drawn into it I m so glad I got to review this book as I think it will stay with me for a while Bookaholics Reading Haven
