Enchanted Evening Barbie and the Second Coming Rheta Grimsley Johnson, 2010-11-01 Nationally syndicated columnist Rheta Grimsley Johnson winner of the Ernie Pyle Award for human interest reporting turns her sharp eye on herself in this frank exhilarating wise poignant and brave memoir Her territory ranges from childhood memories of ritual pre interstate trips in the family station wagon to visit foot washing Baptist relatives to young girl fixations on the Barbie dolls of the title from the simultaneous exuberance and proto feminist doubts of young marriage to the aches of loves lost through divorce and death Her memorable journalism career which began on her college newspaper and rural weeklies and moved on to prestigious big city dailies was punctuated by her distinctive writing voice and an unerring knack for revealing her much loved South through uncommon stories about its common people This is a big hearted book that will leave no reader unaffected

Barbie Culture Mary F Rogers, 2009-12-04 This book uses one of the most popular accessories of childhood the Barbie doll to explain key aspects of cultural meaning Some readings would see Barbie as reproducing ethnicity and gender in a particularly coarse and damaging way a cultural icon of racism and sexism Rogers develops a broader more challenging picture She shows how the cultural meaning of Barbie is more ambiguous than the narrow appearance dominated model that is attributed to the doll For a start Barbie's sexual identity is not clear cut Similarly her class situation is ambiguous But all interpretations agree that with her enormous range of lifestyle accessories Barbie exists to consume Her body is the perfect metaphor of modern times plastic standardized and oozing fake sincerity
