I have already written about how to make a herb garden in another gardening book. How to make a Herb Garden in our Gardening series, but the gardener-cum-herbalist is going to get an even more extensive knowledge about how to make a full-fledged herbal garden in this book. Perfumes, juices, oils, and other products extracted from seeds, leaves, shoots, and bark of the herbs have been used since the earliest times in religious ceremonies and in cooking. So each hearer chose the one which suited his requirements the best and believed the Gods had spoken. Today these herbs are usually grown for their great value in cooking.
