HOW TO INTERPRET THE BIBLE Kieran Beville, 2016-07-17 Anybody who wants to study the Bible either at a personal level or a more scholarly level needs to understand that there are certain principles that guide and govern the process The technical word used to refer to the principles of biblical interpretation is hermeneutics which is of immense importance in Biblical Studies and Theology How to Interpret the Bible takes into consideration the cultural context historical background and geographical location in which the text was originally set This enables us to obtain clarity about the original author's intended meaning Linguistic and literary factors are analyzed so that the various genres of Scripture are

examined for their true meaning The importance of having sound principles of interpretation cannot be overstated as to ignore them will result in all manner of erroneous assumptions Beville presents the Historical Grammatical approach as a sound and objective method of interpretation This in turn provides a foundation not only for understanding but also for teaching Scripture The approach outlined by the author helps avoid contradiction inconsistency arbitrariness and subjectivity This work is intended for those who wish to develop a deeper understanding of the Bible It will be particularly useful for those who want to prepare teaching material grounded in safe hermeneutics In *How to Interpret the Bible* Kieran Beville explores how an understanding of hermeneutics enables a deeper engagement with the Scriptures This well written and thoughtful introduction will be a great asset to anyone wishing to see with greater clarity the revelation of God s heart and mind within the Bible I warmly commend it Dr Roger Standing Principal Spurgeon s College London **GOT BIBLE QUESTIONS** Edward D. Andrews,2022-12-03 VOLUME 3 Do you have a question about some Bible verses concerning God Jesus the Holy Spirit the Bible a Bible verse or passage theology Christian history textual issues Bible translation differences interpretation concerns or anything Bible or Christian related GOT BIBLE QUESTIONS is a new book series that will address these types of difficult Bible questions The apostle Peter said that the apostle Paul s letters were hard to understand which the untaught and unstable distort as they do also the rest of the Scriptures to their own destruction 2 Pet 3 16 The Bible at times can be difficult complex or elusive GOT BIBLE QUESTIONS will get at what the author meant by his words See the Table of Content and discover what verses and Bible difficulties we have dealt with in volume 3 **How to Teach the Old Testament to Christians** T. J. Betts,2023-09-05 Discover the Richness of the Old Testament The Hebrew Scriptures are the beginning of and foundation for God s incredible story of redemption Studying the Old Testament and its relationship to God s new covenant inspires wonder and awe at God s grand plan of salvation that spans millennia Tragically too many preachers and Bible teachers don t have the time or inclination to dive into the depths of the Old Testament T J Betts respected professor of Old Testament interpretation at The Southern Baptist Theological Seminary provides a convenient solution in this book By walking you through the steps to effectively preach and teach the Old Testament By describing how to interpret the stories and narratives in the Hebrew Scriptures By outlining how to present illustrate and apply the Old Testament to people s lives You ll want this book in your library because it is a tool for unpacking Scripture *Empowered and Equipped* Julia B. Higgins,2022-11-01 Jesus commissioned disciples to teach the nations and women of the church must take his call seriously Men and women alike are given the spiritual gift of teaching yet few resources are designed specifically for women who exposit the Scriptures In *Empowered and Equipped* Julia Higgins steers women through the steps needed to faithfully interpret apply and teach a passage of Scripture By examining both the principles and practices of teaching of Bible exposition Higgins seeks to prepare women in the local church to make and mold disciples **Old Texts Through New Eyes** Dallas R Burdette,2009-03 Christians frequently slaughter freedom of conscience with fanatical dogmatism It is not

uncommon for various fellowships of God's people to lay an embargo on freedom in favor of their own exclusive doctrine or understanding of the Scriptures One objective of this book is to set Christians free from sectarianism The views set forth in this book are not bound by party ties It is my desire that these writings will assist Christians in their desire to escape the prevailing forms of radicalism manifested by so many sincere and devout believers In my fifty eight years of preaching and teaching I have witnessed that men and women for the most part are afraid of freedom This volume examines the philosophy of what we teach is true and what others teach is false Among some bodies of believers freedom of investigation is rigidly shackled The chapters in this book seek to defuse the attitude that the one who refuses to comply with the status quo is no longer a brother in Christ The diversity of the chapters in this book refutes the prevailing opinions of many Christians my opinion is the only sound one flawless and incontestable Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary

A World of Difference (Reasons to Believe) Kenneth Richard Samples, 2007-09-01 Recent Barna research indicates that less than one in ten evangelical Christians hold a biblical worldview A World of Difference seeks to change this disturbing fact by educating readers on how the Christian perspective is uniquely reasonable verifiable and liveable Author Kenneth Richard Samples faced a profound test of his own belief system during a personal life and death crisis In A World of Difference he uses nine distinct tests to compare the Christian worldview with current religious and philosophical competitors including Islam postmodernism naturalism and pantheistic monism Samples tackles tough issues through this in depth study of Christianity's history creed and philosophical basis An excellent resource for readers who want their view of life and the world to make sense
