Basic Christianity Addresses Of D Elton Trueblood:

Basic Christianity Elton Trueblood,1977 **Encyclopedia of Christianity in the United States** George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation

Elton Trueblood James R. Newby,1990 **Historical Dictionary of the Friends (Quakers)** Margery Post Abbott,2012 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful **Evangelical Dictionary of Theology (Baker Reference Library)** Walter A. Elwell,2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology as well as

theological ethics The Soul of an American President Alan Sears, Craig Osten, Ryan Cole, 2019-06-04 While there have been many biographies of Dwight D Eisenhower that focus on his military career or the time of his presidency none clearly explores the important role faith played both in his personal life and in his public policy This despite the fact that he is the only US president to be baptized as a Christian while in office Alan Sears and Craig Osten invite you on a journey that is unique in American history and is essential to understanding one of the most consequential admired and complex Americans of the 20th Century The story begins in abject poverty in rural Texas then travels through Kansas West Point two World Wars and down Pennsylvania Avenue This is the untold story of a man whose growing faith sustained him through the loss of a young son marital difficulties depression career disappointments and being witness to some of the worst atrocities humankind has devised A man whose faith was based in his own sincere personal conviction not out of a sense of political expediency or social obligation You've met Dwight Eisenhower the soldier and Dwight Eisenhower the president Now meet Dwight Eisenhower the man of faith National Union Catalog ,1968 Includes entries for maps and atlases **Quaker Life** ,1986 **Library of Congress Catalogs** Library of Congress,1979 *Essential Evangelicalism* Matthew Hall, Owen Strachan, 2015-09-01 Carl F H Henry was one of the most influential and formative evangelical voices of the twentieth century His life and work continue to shape how evangelicals understand themselves the gospel and the world around them offering wise guidance for remaining faithful to God's Word in the midst of a faithless world In *Essential Evangelicalism* some of today's prominent voices offer fresh and timely assessments of Henry's life and legacy contending that his work is as relevant as ever for a new generation of evangelical Christians These essays offer world class scholarship and fresh perspectives on one of the most important Christian leaders of recent memory
