Homiletic and Catechetical Studies Albert Meyenberg, 1912 **Homiletic** David G. Buttrick, 1987-01-01 Buttrick presents a complete homiletic that focuses on how sermons form in consciousness and how the language of preaching functions in the communal consciousness of a congregation His phenomenological approach marks a sharp departure from older homiletics

A Treatise on Homiletics Daniel Parish Kidder, 1864 At the Intersection of Hermeneutics and Homiletics Yung Suk Kim, 2025-04-18 While hermeneutics involves comprehensive study of the biblical text whether through historical or literary or reader focused approaches homiletics is concerned with a selected theme message and on the composition and delivery of sermon discourse aimed at a particular audience But the border between hermeneutics and homiletics is blurry because both disciplines require readers to engage the biblical text from their own contexts This collection deals with the intersection of hermeneutics and homiletics by exploring two revelatory texts one from the Hebrew Bible and the other from the New Testament the book of Ruth and Matthew 15 21 28 a Canaanite woman's encounter with Jesus Both reflect agonizing issues that readers must tackle immigration family community identity agency race ethnicity gender class culture economy and religion A diverse group of scholars brings their transgressive perspectives to the above texts Unfolding new areas of interest inquiry and insight they will transgress authoritative readings of biblical texts fashion hermeneutic horizons in dialogue with the text and forge homiletic trajectories toward contemporary audiences Without limiting interpretation to a box this volume looks to register bold voices to perennial issues in our day Homiletic transformation occurs through the relentless resistant reading of the text and through reimagining our world **Organic Homiletic** Richard Hee-Chun Park, 2006 Organic form theory of Romanticism helps writers artists and preachers free themselves from potentially limiting norms and rules of form Organic Homiletic Samuel T Coleridge Henry G Davis and the New Homiletic will inspire preachers to express their

individual voices and create their own authentic forms by offering preachers innovative methods to creatively imitate blend and mix a wide variety of sermon forms The book is a motivator for preachers to intuitively discover sermon content in the rhetorical context of a given preaching situation and to develop that content utilizing organic form in the process of sermon preparation Organic Homiletic is a must read for seminarians experienced preachers creative writers and artists all those who seek to be fresh authentic creative liberated and organic

The Homiletic Monthly, 1884 Preaching that Confronts Confederate Monuments David M. Stark, 2025-10-30 Confederate monuments preach at times subtly at other times overtly about who we are who God is and how we should live together David M Stark looks at the way many Confederate monuments provided ongoing opportunities for commemorative speeches and ceremonies that would entrench racist and white supremacist ideologies in the American South Stark examines key speeches and proclamations given around monuments to the Lost Cause such as Julian Carr's Silent Sam speech 1913 and Archer Anderson's speech at the dedication of a monument to Robert E Lee 1890 reading these as theological and homiletic moments Stark then moves on to construct a homiletic that can confront such monuments and the racist preaching ideologies around them In developing this counter homiletic Stark analyzes the preaching strategies written into Confederate monuments and highlights best practices from recent counter proclamations that deconstruct the troubling rhetoric and theology of Confederate monument dedication speeches Finally Stark presents insights from naming commission reports and clergy interviews about the values mission and leadership needed to work for ongoing change
