heightened during the 1980s A hostile bid for the company in the early 1990s saw the board and the family split Eventually shareholders voted to reject the bid The company was reorganised with all its lines made outside the country This resulted in the closure of all its UK factories and the laying off of hundreds of Clarks employees But the outcome has been a transformation in the company s fortunes In 2010 its profits were over 100 million and its retro desert boots and other styles have become the height of fashion especially in China and America Boekblad ,2000-04 The Industrial Archaeology of Shropshire Barrie Stuart Trinder,Barrie Trinder,1996
