Basketball Jack Dobbins, 1989 **Coaching Girls' Basketball** Sandy Simpson, 2001-10-02 Coach Girls for Success on and off the Court Coaching girls basketball is a blast Witness a well executed fast break an intense defense or a team's unbridled enthusiasm and you can't help but be inspired The effort pride and enjoyment on the girls' faces are great rewards for parents and often the signs of a good coach the type of coach you want to be So how can you get there Perfect for coaches of girls up to age 13 Coaching Girls Basketball includes everything you need to be an outstanding coach and mentor to your players Whether you are a seasoned coach looking to fine tune your skills or a rookie eager to take the court running you'll discover techniques for success that are tailored specifically to the needs of girls including Drills and strategies for coaches new to the world of coaching basketball Tips on what girls want and need from their basketball experience Practical suggestions on how to motivate in a positive and encouraging way Advice for helping girls deal with their changing bodies And much more Now you can be a coaching winner and help bring out the best in your players both on the court and in the game of life *The Routledge Handbook of Coach Development in Sport* Steven B. Rynne, Clifford J. Mallett, 2024-05-24 The Routledge Handbook of Coach Development in Sport is a comprehensive text that underscores the importance of learning and context for those who sculpt the environment in which people of all ages develop in and through sport Coaches and those responsible for the development of coaches are best positioned as both learners and facilitators of learning As sport becomes more globalised the concomitant professionalisation of coaches necessitates ongoing learning and development to embrace new knowledge and understanding Moreover contemporary coach development presents as a wicked problem in that it continues to evolve it is contextually bound and there is no single or obvious way to approach it Problematically there is often limited assistance available to support coaches and coach developers in their ongoing development As such this book provides a truly international reference point that brings together leading scholars and practitioners from across the globe to provide an overview of the theories and practices of coaches and coach developers that are impacting the quality of sporting environments Therefore this book is an important reference for researchers scholars and practitioners alike in the fields of Sport Coaching Coach Development Sport Development Sport for Development Physical Education and related disciplines
