Bastogne 44, 1999 **The Ardennes, 1944-1945** Christer Bergström, 2014-12-19 A comprehensive photo filled account of the six week long Battle of the Bulge when panzers slipped through the forest and took the Allies by surprise In December 1944 just as World War II appeared to be winding down Hitler shocked the world with a powerful German counteroffensive that cracked the center of the American front The attack came through the Ardennes the hilly and forested area in eastern Belgium and Luxembourg that the Allies had considered a quiet sector Instead for the second time in the war the Germans used it as a stealthy avenue of approach for their panzers Much of US First Army was overrun and thousands of prisoners were taken as the Germans forged a fifty mile bulge into the Allied front But in one small town Bastogne American paratroopers together with remnants of tank units offered dogged resistance Meanwhile the rest of Eisenhower s broad front strategy came to a halt as Patton from the south and Hodges from the north converged on the enemy incursion Yet it would take an epic six week long winter battle the bloodiest in the history of the US Army before the Germans were finally pushed back Christer Bergstr m has interviewed veterans gone through huge amounts of archive material and performed on the spot research in the area The result is a large amount of previously unpublished material and new findings including reevaluations of tank and personnel casualties and the most accurate picture yet of what really transpired from the perspectives of both sides With nearly four hundred photos numerous maps and thirty two superb color profiles of combat vehicles and aircraft it provides perhaps the most comprehensive look at the battle yet published

La bataille d'Ardenne Henri Bernard, Roger Gheysens, 1984 **Those Who Hold Bastogne** Peter Schrijvers, 2014-11-04
The acclaimed World War II historian delivers a panoramic and compelling boots on the ground illumination of one of the Bulge's most epic battles Patrick K O'Donnell author of Washington's Immortals Hitler's last gamble the Battle of the Bulge was intended to push the Allied invaders of Normandy all the way back to the beaches The plan nearly succeeded and almost certainly would have were it not for one small Belgian town and its tenacious American defenders who held back a tenfold larger German force while awaiting the arrival of Gen George Patton's mighty Third Army In this dramatic account of the 1944-45 winter of war in Bastogne historian Peter Schrijvers offers the first full story of the German assault on the strategically located town From the December stampede of American and Panzer divisions racing to reach Bastogne first through the bloody eight day siege from land and air and through three more weeks of unrelenting fighting even after the siege was broken events at Bastogne hastened the long awaited end of WWII Schrijvers draws on diaries memoirs and other fresh sources to illuminate the experiences not only of Bastogne's three thousand citizens and their American defenders but also of German soldiers and commanders desperate for victory The costs of war are revealed uncovered in the stories of those who perished and those who emerged from battle to find the world forever changed A fast paced story Schrijvers does an admirable job of weaving personal accounts into the larger picture of Bastogne's horrors The Wall Street Journal Pulse pounding The first thorough treatment of the famous battle for Bastogne John C McManus author of Fire and Fortitude

The Unknown Dead Peter Schrijvers, 2005-04-08 Telling the harrowing stories of noncombatants caught up in the maelstrom of war The Unknown Dead surveys this crucial battle and its consequences from an entirely new perspective Peter Schrijvers a native Belgian describes in detail the horrific war crimes committed by German military units on the front lines and by Nazi security services behind the battle lines He also reveals the devastating effects of Allied responses to the enemy threat including incessant artillery barrages and massive bombings of small towns
