Augustines Commentary On Galatians Introduction Text Translation And Notes:

Augustine's Commentary on Galatians Saint Augustine (of Hippo), Eric Plumer, 2003-02-06 Table of contents *Galatians and Christian Theology* N. T. Wright, Mark W. Elliott, Scott J. Hafemann, John Frederick, 2014-09-09 The letter to the Galatians is a key source for Pauline theology as it presents Paul's understanding of justification the gospel and many topics of keen contemporary interest In this volume some of the world's top Christian scholars offer cutting edge scholarship on how Galatians relates to theology and ethics The stellar list of contributors includes John Barclay Beverly Gaventa Richard Hays Bruce McCormack and Oliver O'Donovan As they emphasize the contribution of Galatians to Christian theology and ethics the contributors explore how exegesis and theology meet critique and inform each other *Jerome's Commentaries on the Pauline Epistles and the Architecture of Exegetical Authority* Andrew Cain, 2021 This monograph provides the first book length treatment of Jerome's opus Paulinum in any language **Witch Hunt in Galatia** Jeremy Wade Barrier, 2020-09-29 Approximately 2 000 years ago some Jewish communities of Galatia in central Asia Minor believed they had fallen under a curse argues Jeremy Wade Barrier A fellow Jew named Paul wrote the letter we call Galatians to help them escape its effects In the letter Barrier argues Paul called for the Jews in Galatia to stop practicing circumcision The rite had fallen into disuse within many Jewish communities in the Roman Empire but Barrier argues the Galatian Jews believed it was a talisman that would protect them from harm As a further precaution they needed to deal with the person who had brought this evil to their community A witch hunt was underway and some had concluded that the witch was none other than Paul Barrier provides a reconstruction of the original occasion of Paul's letter to the Galatians and shows how Paul defended himself from accusations of witchcraft by countering that the ritual that would protect them from the Evil Eye was not circumcision but rather baptism Through the ritual of baptism they could receive healing from a material yet divine breath of God Barrier also reconstructs an earlier understanding of this pneuma that was lost to subsequent Christianity under the influence of Neoplatonism **The T&T Clark Companion to Augustine and Modern Theology** C.C. Pecknold, Tarmo Toom, 2013-07-18 The T T Clark Companion to Augustine and Modern Theology is both a theological companion to the study of Augustine and a resource for thinking about Augustine's importance in modern theology Each of the essays brings Augustinian depth to a broad range of contemporary theological concerns The volume unveils cutting edge Augustinian scholarship for a new generation and at the same time enables readers to see the timely significance of Augustine for today Each of the essays not only introduces readers to key themes in the Augustinian corpus but also provides readers with fresh interpretations that are fully conversant with the theological problems facing the church in our world today Designed as both a guide for students and a reference point for scholars it will seek both to outline the frameworks of key Augustinian debates while at all times pushing forward fresh interpretative strategies concerning his thought **Christians Shaping Identity from the Roman Empire to Byzantium** Geoffrey Dunn, Wendy Mayer, 2015-07-14 The essays collected in Christians

Shaping Identity celebrate Pauline Allen's significant contribution to early Christian late antique and Byzantine studies especially concerning bishops heresy orthodoxy and christology Covering the period from earliest Christianity to middle Byzantium the first eighteen essays explore the varied ways in which Christians constructed their own identity and that of the society around them A final four essays explore the same theme within Roman Catholicism and oriental Christianity in the late 19th to 21st centuries with particular attention to the subtle relationships between the shaping of the early Christian past and the moulding of Christian identity today Among the many leading scholars represented are Averil Cameron and Elizabeth A Clark *Augustine's Theology of the Resurrection* Augustine M. Reisenauer, 2023-03-30 This book explores Augustine's developing theology of the resurrections of Jesus Christ of Christian souls and of all human flesh

Paul through the Eyes of the Reformers Stephen J. Chester, 2025-04-03 A brilliant reappraisal of Protestant Reformers' views on Paul In this incisive book Stephen Chester challenges misconceptions and provides new insights into how sixteenth century Protestant Reformers interpreted the writings of Paul Writing for those who are interpreting Pauline letters in and for today's world Chester demonstrates the value of a nuanced and accurate understanding of the Reformers' views on Paul Throughout the book Chester draws on key ideas from his monumental work *Reading Paul with the Reformers* which won Christianity Today's book of the year award in biblical studies In *Paul through the Eyes of the Reformers* Chester updates the argument and presents the ideas in a shorter and more accessible form designed for a broad readership To help readers better understand the Reformers' historical and theological context Chester surveys perspectives on Paul prior to the sixteenth century Against this background Chester illuminates the paradigm shifts in Pauline interpretation that unfolded during the Reformation paying special attention to the work of Martin Luther Philip Melancthon and John Calvin He also discusses the promise and challenge of reading Paul with the Reformers today highlighting the importance of engaging with the Reformers' work critically reaching different conclusions from them where necessary and taking inspiration from them when appropriate *Paul through the Eyes of the Reformers* is a remarkable resource for biblical scholars who care about Paul and his theology
