Aurelia Followed By Sylvie:

Aurélia ; Followed by Sylvie Gérard de Nerval, 1993 Throughout his life the poet and writer Gerard de Nerval 1808 1855 struggled with bouts of madness and ended his life wandering homeless on the streets of Paris until he was found hanging from a sewer grating an apparent suicide As one of the most individualistic of the colorful French Romantics the details of Nerval s life have passed into legend as writers and commentators have served up any number of versions of his mysterious love affair with the actress Jenny Colon not to mention his famous habit of walking a lobster on a pale blue leash through the gardens of the Palais Royal Soon after the completion of his novella Sylvie in 1853 Nerval began under advice from his doctor an extended personal journal essay chronicling his psychic experiences and visions What emerged from these writings is *Aurelia* a masterpiece in the literature of dreams and hallucinations and one of the most remarkable prose works of nineteenth century French literature Book jacket

Peripheries of Nineteenth-century French Studies Timothy Bell Raser, 2002 The French nineteenth century came to its full fruition only recently herald and instigator as it was of some of the most important developments of the twentieth century This volume offers a wide ranging selection of scholarly approaches to the works of the French nineteenth century articles that show how pertinent the texts of that moment are to an understanding of our own modernity

The Secret Life of Puppets Victoria Nelson, 2003-11-01 In one of those rare books that allows us to see the world not as we ve never seen it before but as we see it daily without knowing Victoria Nelson illuminates the deep but hidden attraction the supernatural still holds for a secular mainstream culture that forced the transcendental underground and firmly displaced wonder and awe with the forces of reason materialism and science In a backward look at an era now drawing to a close *The Secret Life of Puppets* describes a curious reversal in the roles of art and religion where art and literature once took their content from religion we came increasingly to seek religion covertly through art and entertainment In a tour of Western culture that is at once exhilarating and alarming Nelson shows us the distorted forms in which the spiritual resurfaced in high art but also strikingly in the mass culture of puppets horror fantasy literature and cyborgs from the works of Kleist Poe Musil and Lovecraft to Philip K Dick and virtual reality simulations At the end of the millennium discarding a convention of the demonized grotesque that endured three hundred years a Demiurgic consciousness shaped in Late Antiquity is emerging anew to re-divinize the human as artists like Lars von Trier and Will Self reinvent Expressionism in forms familiar to our pre-Reformation ancestors Here as never before we see how pervasively but unwittingly consuming art forms of the fantastic we allow ourselves to believe

[Selected Writings](#) Gerard de Nerval, 2006-09-28 Poet visionary short story writer and autobiographer Gerard de Nerval 1808 1855 explored the uncertain borderlines between dream and reality irony and madness autobiography and fiction with his groundbreaking writings This comprehensive selection of his works includes *Aurélia* the memoir of his madness the haunting novella of love and memory *Sylvie* considered to be a masterpiece by Proust the hermetic sonnets of *The Chimeras* as well as Nerval s experimental

fictions and selections from his correspondence which demonstrate his lucid awareness of how nineteenth century psychiatry consigned his fertile imagination to the status of mental illness Together these pieces confirm Nerval's place as a pioneering modernist a precursor of the French Symbolists and a vital model for such writers as Marcel Proust Andr Breton Antonin Artaud and Michel Leiris **Architexts of Memory** Evelyne Ender,2005 Offers a powerful model that uses literature to help fathom the nature of remembrance *Láhaina Noon : Ná Mele O Maui : Poems* Eric Paul Shaffer,2005 Lahaina Noon is not only a specific study of Maui but a brilliant examination of a human's place in the cosmos Eric Paul Shaffer's clear sane poems will help you understand where you are wherever you are Sara Backer **The style of Nerval's "Aurélia"** William Beauchamp,2019-05-20 No detailed description available for The style of Nerval's Aurélia *The Wheel* Jordan Jones,2005 Poetry THE WHEEL is a survey of the turning circles and cycles of religion history politics myth nature and culture from Stonehenge to the war in Iraq from tree rings to the circular edge of the urban separating the wild from the sanitized suburban world that remains firmly in the natural world no matter what humans think The poems are provocative political humane and funny This is one sweet book Jordan Jones writes with such a pure voice offering up all the matters of life that he cares deeply about and the universe requires that we all care about Very lovely refreshing true poems it's a book to believe in Sandra McPherson *Aurélia & Other Writings* Gérard de Nerval,1996 Admired by both Proust and Breton this nineteenth century book was also the favourite of artist Joseph Cornell An account of the author's passion for an actress and subsequent descent into madness AURELIA is a document of dreams obsessions and insanity One of the original bohemians Nerval was well known in his day for parading a lobster on a blue ribbon through the gardens of the Palais Royal and for his suicide 1855 hanging from an apron string he called the garter of the Queen of Sheba *Story and Situation* Ross Chambers,1900 Studies the relation between teller and listener in a set of French English and American short stories from the nineteenth and early twentieth centuries
