The Corridor of Certainty Geoffrey Boycott,2014-09-11 Geoffrey Boycott

is one of the most outspoken and knowledgeable voices on cricket but this book opens up a whole new personal side to his life Thirteen years ago he received the diagnosis that tore his world apart he had cancer of the tongue Having faced down the fastest bowlers during his career as one of England's greatest ever batsmen he now had to take on an even more daunting foe Boycott not only relives his terrifying battle with cancer but also writes movingly about his long time love Rachael and their daughter Emma He talks about his many other interests and friendships beyond cricket with a great chapter on Brian Clough as well as revealing some surprising enthusiasms Boycott and Katy Perry But Boycott has devoted his life to cricket and his insights on the game its players and those who write and talk about it are never less than frank revealing entertaining and very honest He assesses the modern generation of players how does he rate England's prolific captain Alastair Cook And is Kevin Pietersen a batting genius or a player who has frittered away his talent His opinions come with the authority of someone with profound knowledge of and love for the sport In commentary he refers to the corridor of uncertainty for a batsman but with Geoffrey Boycott there is never any room for that which is why this book is such a compelling and entertaining read

Boycott Geoff Boycott,2006 Misguided mishandled criticised and crucified and only because he's different said Brian Clough The ultimate perfectionist he comes nearer to faultlessness than anyone else said John Arlott Captain of Yorkshire and England yet discarded by both when still at his peak Boycott was at the top for over twenty years Here he tells his own story He talks of his love hate relationship with Yorkshire cricket his many triumphs for England and his key partnerships with team mates like Denness Brearley and Botham And he speaks for the first time about why he chose to opt out of Test cricket for three years in the mid 1970s Many felt that Boycott was the greatest batsman of his time and that despite his achievements he was unfairly treated Known by a new generation as a pull no punches commentator this is the story of one of our greatest and most controversial sporting heroes

Geoff Boycott: A Cricketing Hero Leo McKinstry,2010-06-24 Few modern British sportsmen have fascinated the public more than Geoff Boycott In this first comprehensive and balanced account of Boycott's life fully updated to include his battle against cancer award winning author Leo McKinstry lifts the lid on one of cricket's great enigmatic characters

British Sporting Relations with

Apartheid South Africa Matthew P. Llewellyn,Toby C. Rider,2024-11-25 The transnational anti apartheid sport boycott of South Africa represented the most prominent extended and controversial anti racism campaign in the history of sport Spearheaded by prominent British religious and anti colonial figures and exiled South Africans emboldened by communist and Global South support and legitimised by supranational political bodies such as the United Nations the Organisation of

African Unity and the Commonwealth the sport boycott helped propel anti apartheid out of relative obscurity and struck at the very heart of a cultural practice that served an explicitly ideological function in Afrikaner society Britain held a dichotomous even paradoxical role as both prosecutor and defender of white South Africa This book utilises sport as a critical lens for understanding the dynamics and dichotomies of British attitudes towards the apartheid regime Debates over whether to continue or to cut sporting links with apartheid South Africa proved bitterly divisive The considerable weight the subject carried and the degree to which it saturated British political and social discourse for four decades speaks to its impact and importance British Sporting Relations with Apartheid South Africa represents the first archival based historical examination of Britain s sporting relations with South Africa throughout the apartheid era 1948 1994 Situating the analysis within the shifting multiracial and multicultural landscapes of postcolonial Britain and within global political cultural sporting and ideological debates the authors trace the origins and evolution of the transnational sport boycott and examine what inspired Britons to energise anti apartheid sport campaigns and in contrast what drove many others to vehemently oppose them at every turn

Fred Trueman Chris Waters, 2011-10-01 Fred Trueman was so much more than a cricketing legend The greatest living Yorkshireman according to Prime Minister Harold Wilson he couldn t help excelling at everything he did whether it was as a hostile fast bowler for Yorkshire and England and the first man to take 300 Test wickets in a career or as a fearlessly outspoken radio summariser for Test Match Special He was famous for regularly spluttering that I don t know what s going off out there as well as for the amount of swearing he managed to incorporate into everyday speech Beloved of cricket crowds who filled grounds to witness his belligerent way of playing the game and nothing but trouble to the cricket authorities Fiery Fred was the epitome of a full blooded Englishman But as Chris Waters reveals in this first full biography behind the charismatic exuberant mask lay a far less self assured man terrified even that his new dog wouldn t like him and whose bucolic version of his upbringing bore no relation to the gritty and impoverished South Yorkshire mining community where he actually grew up Drawing on dozens of new interviews with his Yorkshire colleagues family and friends this life of Fred Trueman will surprise and even shock but also confirm the status of an English folk hero
