Brandeis Beyond Progressivism

Shelton Stromquist

Brandeis Beyond Progressivism:

Brandeis Philippa Strum, 1993 Anyone with an interest in this icon of our law and public policy should not miss this excellent book Washington Post Book World **American Progressives and German Social Reform, 1875-1920** Axel R. Schäfer, 2000 This study recreates the intellectual climate and transatlantic setting of turn of the century American reform It examines the influence and meaning of German social thought and reform in the American Reform Movement prior to World War I The American Progressives used the German theories in order to develop and establish new concepts of reform and to base democracy on principles other than possessive individualism utilitarian ethics and market ideology that liberalism held in stock However due to the war these reforms lost their radical character In the end the progressive quest for a broader sphere of public control participatory models of reform and social ethics yielded to the liberal model of regulation business co operation and administrative efficiency and to the moralistic agenda of prohibition and immigration control Axel R Schafer s fine study of what American progressives learned from their German counterparts adds to the growing literature illuminating the cosmopolitan breadth and ideological daring of turn of the century reform a It is a testament to the argumentative force of this insightful work that it so clarifies and deepens the vital debate over the progressive legacy in our new Gilded Age The Journal of American History Schafer did not intend to offer an exhaustive treatment instead he wished to show that part of progressive thought was not merely home grown a relection of narrow moralistic Protestantismae 220 but had some German roots too This he did well and readers may mine his chapters for other insightsa German Studies Review Axel R Schafer s kenntnisreiche methodisch reflektierte und quellengesattigte Untersuchung legt die bis vor kurzem nur wenig beachteten transatlantischen Bezüge der progressiven Bewegungae an der Wende vom 19 zum 20 Jahrhundert frei und bettet dieses als sehr amerikanischae geltende Reformphanomen starker in seinen weltlichen Gesamtzusammenhang ein Schafer wird daher nicht nur von Amerikaspezialisten mit Gewinn gelesen werden sondern auch von Historikern die sich mit interkulturellen Austauschprozessen beschäftigen Das Historisch Politische Buch Selten jedenfalls ist die Krise des Progressivism im Ersten Weltkrieg so klar analysiert worden wie hiera Historische Zeitschrift Anachronismen vermeidend und mit grosser Fähigkeit zur Empathie zeichnet Schafer die Motive und Vorstellungswelten der Akteure nach ohne sie von vornherein zu verurteilen Auf diese Weise gelingt ihm eine sehr differenzierte Darstellunga Neue Politische Literatur Franz Steiner 2000

Progressive Challenges to the American Constitution Bradley C. S. Watson, 2017-04-24 In this volume Bradley C S Watson brings together the leading scholars who have sparked one of the most important intellectual and political movements of our times the criticism of the progressive intellectual synthesis that has dominated American thought and politics over much of the last century and has provided the framework in which the administrative state has expanded and flourished The contributors address the most important questions raised by this movement what is the meaning of progressivism What is the nature of the Founders Constitution and the progressive challenges to it What is the significance of

recent scholarship and public opinion that have arisen in opposition to the progressive vision What are the implications of American progressivism for twenty first century politics and policy Progressive Challenges to the American Constitution addresses the growing doubt about the scope and sustainability of expanded government power **Reinventing "The People"** Shelton Stromquist,2010-10-01 A comprehensive study of the Progressive movement Reinventing The People contends that the persistence of class conflict in America challenged the very defining feature of Progressivism its promise of social harmony through democratic renewal Shelton Stromquist profiles the movement s work in diverse arenas of social reform politics labor regulation and so called race improvement While these reformers emphasized different programs they crafted a common language of social reconciliation in which an imagined civic community the People would transcend parochial class and political loyalties But efforts to invent a society without enduring class lines marginalized new immigrants and African Americans by declaring them unprepared for civic responsibilities In so doing Progressives laid the foundation for twentieth century liberals inability to see their world in class terms and to conceive of social remedies that might alter the structures of class power Dictionary Of Modern American Philosophers John R. Shook,2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought **Next Year in Jerusalem** Leonard J. Greenspoon,2019-10-15 Next Year in Jerusalem recognizes that Jews have often experienced or imaged periods of exile and return in their long tradition The fourteen papers in this collection examine this phenomenon from different approaches genres and media They cover the period from biblical times through today Among the exiles highlighted are the Babylonian Exile sixth century BCE the exile after the destruction of the Jerusalem Temple 70 CE and the years after the Crusaders tenth century CE Events of return include the aftermath of the Babylonian Exile fifth century BCE the centuries after the Temple s destruction first and second CE and the years of the establishment of the modern State of Israel 1948 CE In each instance authors pay close attention to the historical settings the literature created by Jews and others and the theological explanations offered typically this was seen as divine punishment or reward for Israel s behavior The entire volume is written authoritatively and accessibly *Law in the*

Western United States Gordon Morris Bakken, 2000 In this volume Gordon Morris Bakken traces the distinctive development of western legal history The contributors essays provide succinct descriptions of major cases legislation and individual western states constitutional provisions that are unique in the American legal system To assist the reader the volume is organized by subject including natural resources municipal authority business regulation American Indian sovereignty and water rights women and Mormons Contributors are Roy H Andes Dana Blakemore Richard Griswold del Castillo Susan Badger Doyle James W Ely Jr Brenda Gail Farrington Dale D Goble Neil Greenwood Vanessa Gunther Louise A Halper Claudia Hess Kenneth Hough Paul Kens Shenandoah Grant Lynd Thomas C Mackey Nicholas George Malavis Timothy Miller Danelle Moon Andrew P Morriss Keith Pacholl Laurie Caroline Pintar Michael A Powell Ion Puschilla Emily Rader Peter L Reich John Phillip Reid Lucy E Salyer Susan Sanchez Janet Schmelzer Howard Shorr Paul Reed Spitzzeri John Joseph Stanley Donald L Stelluto Jr Timothy A Strand Imre Sutton Nancy J Taniguchi and Lonnie Wilson The Triangle Fire, Protocols Of Peace Richard Greenwald, 2011-02-07 America searched for an answer to The Labor Question during the Progressive Era in an effort to avoid the unrest and violence that flared so often in the late nineteenth and early twentieth century In the ladies garment industry a unique experiment in industrial democracy brought together labor management and the public As Richard Greenwald explains it was an attempt to square free market capitalism with ideals of democracy to provide a fair and just workplace Led by Louis Brandeis this group negotiated the Protocols of Peace But in the midst of this experiment 146 mostly young immigrant women died in the Triangle Factory Fire of 1911 As a result of the fire a second interrelated experiment New York s Factory Investigating Commission FIC led by Robert Wagner and Al Smith created one of the largest reform successes of the period The Triangle Fire the Protocols of Peace and Industrial Democracy in Progressive Era New York uses these linked episodes to show the increasing interdependence of labor industry and the state Greenwald explains how the Protocols and the FIC best illustrate the transformation of industrial democracy and the struggle for political and economic justice **American Political Leaders, Third Edition** Richard Wilson, 2021-10-01 Praise for previous editions accessible this book is an excellent addition to collections serving general readers high schools and undergraduates American Reference Books Annual This readable volume is recommended for high school public and undergraduate libraries Booklist an outstanding reference tool Biographical dictionaries abound in political science as in other fields but Wilson s work is more accessible benefitting from his straightforward approach and simpler organization Highly recommended Choice Recommended Library Media Connection an authoritative and readable guide serves as a helpful resource for high school college and public libraries Christian Library Journal American Political Leaders Third Edition contains 286 biographical profiles of men and women in the United States who have demonstrated their political leadership primarily by being elected nominated or appointed to significant political offices in the United States or by having attained some special prominence associated with political leadership This reference work provides students and general readers with a concise readable guide

Encyclopedia of American Civil Rights and Liberties Kara E. Stooksbury, John M. Scheb II, Otis H. Stephens Jr., 2017-09-21 Thoroughly updated and featuring 75 new entries this monumental four volume work illuminates past and present events associated with civil rights and civil liberties in the United States This revised and expanded four volume encyclopedia is unequalled for both the depth and breadth of its coverage Some 650 entries address the full range of civil rights and liberties in America from the Colonial Era to the present In addition to many updates of material from the first edition the work offers 75 new entries about recent issues and events among them dozens of topics that are the subject of close scrutiny and heated debate in America today There is coverage of controversial issues such as voter ID laws the use of drones transgender issues immigration human rights and government surveillance There is also expanded coverage of women s rights gay rights gay marriage and Native American rights Entries are enhanced by 42 primary documents that have shaped modern understanding of the extent and limitations of civil liberties in the United States including landmark statutes speeches essays court decisions and founding documents of influential civil rights organizations Designed as an up to date reference for students scholars and others interested in the expansive array of topics covered the work will broaden readers understanding of and appreciation for the people and events that secured civil rights guarantees and concepts in this country At the same time it will help readers better grasp the reasoning behind and ramifications of 21st century developments like changing applications of Miranda Rights and government access to private Internet data Maintaining an impartial stance throughout the entries objectively explain the varied perspectives on these hot button issues allowing readers to draw their own conclusions

Enjoying the Beat of Term: An Psychological Symphony within **Brandeis Beyond Progressivism**

In a world taken by screens and the ceaseless chatter of fast interaction, the melodic beauty and psychological symphony developed by the written word often fade in to the back ground, eclipsed by the persistent noise and interruptions that permeate our lives. But, set within the pages of **Brandeis Beyond Progressivism** an enchanting literary prize overflowing with raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that fascinating masterpiece conducts visitors on an emotional trip, skillfully unraveling the concealed songs and profound affect resonating within each carefully crafted phrase. Within the depths of the touching examination, we shall discover the book is main harmonies, analyze its enthralling publishing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
