Boy Who Looked Like Lincoln:

The Boy who Looked Like Lincoln Mike Reiss, 2006 Eight year old Benjy who is always being teased because he resembles Abraham Lincoln learns to accept and appreciate his face when he attends a special summer camp **Boy Who Looked Like Lincoln**, 2006-12 **A Boy from Georgia** Hamilton Jordan, 2015-10-15 The story of a young man waking to the fact that his family is on the wrong side of history Atlanta Journal Constitution When Hamilton Jordan died in 2008 he left behind a mostly finished memoir His daughter Kathleen with the help of her brothers and mother took up the task of editing and completing the book A Boy from Georgia the result of this posthumous father daughter collaboration chronicles Hamilton Jordan's childhood in Albany Georgia charting his moral and intellectual development as he gradually discovers the complicated legacies of racism religious intolerance and southern politics and affords his readers an intimate view of the state's wheelers and dealers Jordan's middle class childhood was bucolic in some ways and traumatizing in others As Georgia politicians battled civil rights leaders a young Hamilton straddled the uncomfortable line between the southern establishment to which he belonged and the movement in which he believed Fortunate enough to grow up in a family that had considerable political clout within Georgia Jordan eventually became a key aide to Jimmy Carter and was the architect of Carter's stunning victory in 1976 later serving as his chief of staff Clear eyed about the triumphs and tragedies of Jordan's beloved home state and region A Boy from Georgia tells the story of a remarkable life in a voice that is witty vivid and honest A delightful and inspiring coming of age story brimming with funny anecdotes family mysteries and political intrigue Hank Klibanoff coauthor of *The Race Beat* The Press the Civil Rights Struggle and the Awakening of a Nation **Noah** Carol Mitchell, 2018-12-19 Noah is a heartbreaking saga about Tiffany Mitchell's often difficult journey to find love From the start Tiffany Mitchell's road to love took her through dramatic twists and turns that left her thinking that love would be forever out of her reach In fact for many years love seemed elusive like a never ending pathway to certain disappointment until Tiffany meets a handsome bartender named Noah Crawford and she falls in love at once The special event gave Tiffany an immediate attraction to the undisputed possibilities of love in a moment that would change her whole life This love raised the bar for others only it couldn't have happened at the worst time for on the eve that Tiffany meets the Love of her Life Noah it is one day before her wedding day to Piper Will Tiffany have to walk away from the only man she loves Or will she lose it all in one night Carol Denise Mitchell is one of the few authors who work harder than anyone to pull at those heart strings In the end readers will be rooting for love However will Tiffany ever end up with Noah Or will she lose him forevermore **Lincoln, Inc.** Jackie Hogan, 2011-10-16 From Lincoln themed cocktails and waffle parlors to high tech museums and steamy romance novels the image of Abraham Lincoln so permeates the national imagination that we now find him in the unlikeliest of places In *Lincoln Inc* Jackie Hogan examines the uses and abuses of the sixteenth president in the United States today The book takes readers on a journey through the little white lies of Lincoln tourism and offers a front row seat as the martyr president

is invoked in heated political debates over such issues as homosexuality abortion and the war on terror Readers enter classrooms that use an idealized Honest Abe to Lincolnize American schoolchildren And readers step into the alternate universe of Lincoln fiction that transforms the Rail Splitter by turns into a hapless time traveler a sentimental cyborg an axe wielding zombie slayer or a frontier heart throb But Lincoln Inc is more than a tour through the thriving Lincoln industry today Whether in staid biographies blockbuster films school pageants or sleeping pill advertisements Hogan shows how the use of the Lincoln image reveals the nation s shared fears and fascinations The book analyzes the ways we employ Lincoln today in our political ideological personal and national struggles the ways we simultaneously deify and commercially exploit him the ways he is packaged and sold in the marketplace of American ideas In learning about Lincoln Inc we learn about ourselves about who we think we are and who we wish we could be *Soldier Silhouettes on Our Front* William L.

Stidger,2019-12-16 In *Soldier Silhouettes on Our Front* William L Stidger crafts a poignant reflection on the experiences of soldiers during World War II utilizing a blend of lyrical prose and vivid imagery This work rooted in the literary context of mid 20th century American war literature seeks to illuminate the emotional and psychological landscapes of combatants through a series of evocative portraits each styled as a silhouette that underscores the anonymity and universality of their sacrifices Stidger s ability to capture the profound melancholia of war while maintaining an ethos of resilience offers a deeply humanistic perspective that resonates with readers seeking to understand the cost of conflict William L Stidger was an American author and minister whose own experiences and losses during the tumultuous years of the war fueled his passion for advocating peace His background in theology infused his writings with a sense of moral urgency as he grappled with the stark realities of human suffering and the quest for redemption Stidger s literary journey is characterized by a desire to honor those who served while also prompting a larger discourse on the implications of war on the human spirit This compelling narrative is highly recommended for readers interested in war literature history and the emotional toll of conflict *Soldier Silhouettes on Our Front* not only serves as a memorial to those who fought but also as a timely reminder of the enduring effects of war on society Stidger s work instills a call to reflection and understanding making it an essential read for anyone striving to grasp the complexities of human experiences in wartime **Players Magazine** ,1924 **Murder at**

Lincoln's Gala Colleen Cambridge,2025-05-13 From the bestselling author of the *American in Paris* mysteries featuring Julia Child s fictional best friend and the *Phyllida Bright* mysteries featuring Agatha Christie s fictional housekeeper this intriguing mystery stars quick witted Adam Quinn President Lincoln s newly hired aide on a momentous day March 4 1861 On the day of Abraham Lincoln s inauguration gala the last thing anyone wants is a hitch in the proceedings let alone murder But when the worst happens fortunately Mr Lincoln has his resourceful aide by his side When a man is found stabbed to death only yards from the new president Lincoln dispatches his trusted aide Adam Quinn to discreetly investigate Was it an assassination attempt gone wrong or some other sinister motive Though he is new to the capital city Quinn an experienced

tracker and seasoned soldier is well suited to the task Though he must navigate the unfamiliar world of high society political personages and a city preparing for war he finds an unexpected ally in determined young Sophie Gates who lives in the Smithsonian Institution with her uncle and his family Sophie is determined to make a name for herself as a journalist and investigating a murder at the gala is the perfect opportunity Quinn and Gates along with George Hilton a free man of color and brilliant physician plunge into a city teeming with spies and dark plots as it careens toward war Together they must make haste to apprehend a killer for nothing less than the fate of the nation is at stake Lincoln's Boy Spy Louis A.
