Boys On The Brain:

Boys on the Brain Havoc Publishing,2001-02-01 Boys on the Brain Jean Ure,2003 resta s diary starts My mum She has boys on the brain She and Charlie are seriously embarrassed by their parents who insist on behaving like teenagers The girls are serious about their schoolwork and their careers and they are not going to waste their time thinking about boys

The Minds of Boys Gurian Michael,Kathy Stevens,2010-12-14 Michael Gurian s blockbuster bestseller The Wonder of Boys is the bible for mothers fathers and educators on how to understand and raise boys It has sold over 400 000 copies been translated into 17 languages and sells over 25 000 every year which is more than any other book on boys in history To follow up on this first book which launched the boy s movement he has now written this revolutionary new book which confronts what he and a lot of other parents and teachers in this country truly believe to be a boy s crisis Here are the facts Boys today are simply not learning as well as girls Boys receive 70% of the Ds and Fs given all students Boys cause 90% of classroom discipline problems 80% of all high school dropouts are boys Millions of American boys are on Ritalin and other mind bending control drugs Only 40% of college students are boys And three out of four learning disabled students are boys So what can we do Gurian has the answer in this enormously fascinating and practical book which shows parents and teachers how to help boys overcome their current classroom obstacles by helping to create the proper learning environment understand how to help boys work with their unique natural gifts nurture and expand every bit of their potential and enabling them to succeed in life the way they ought to Gurian presents a whole new way of solving the problem based on the success of his program in schools across the country the latest research and application of neuro biological research on how boys brains actually work and how they can learn very well if they re properly taught Anyone who cares about the future of our boys must read this book

The Purpose of Boys Michael Gurian,2010-08-30 The final and conclusive book in the groundbreaking series on boys and their development In this climax to his series of landmark books about boys Michael Gurian offers a powerful new program to help us give our sons a core purpose a program based on building morality character career goals the ability to form intimate relationships selflessness personal and community responsibility and an accelerated process of developmental maturity Gurian reveals how important purpose is for the success and happiness of boys and explains how a boy s core personality nature and genetic predisposition functions to create both strengths and weaknesses in their journey towards maturity Includes an innovative program for support and interventions according to the unique needs weaknesses and strengths of each individual young man This book is the follow up to Gurian s bestselling The Minds of Boys Draws on the latest science and field research on how boys develop neurologically Gurian explores the unique issues boys must confront and shows how their strategy for moral development and success in life is predicated on their nature and genetic predispositions

The Wonder of Boys Michael Gurian,2006-09-07 THE WONDER OF BOYS is a provocative book that electrifies the debate over how this nation raises sons USA Today In this insightful and practical book Michael Gurian

describes what boys need to become strong responsible sensitive men Instead of encouraging us to stifle boys natural propensities for competition and aggression Gurian offers effective and practical guidelines for channeling them He shows how the evils boys are susceptible to including gang activity sexual misconduct and crime become necessary outlets when positive role models and adult support are not available Most important Gurian explains what a boy really needs a primary and an extended family relationships with mentors and intense support from his school and community and details how we can provide these things for the boys we love

Boys and Girls Learn Differently! Michael Gurian, 2002-02-28 At last we have the scientific evidence that documents the many biological gender differences that influence learning For instance girls talk sooner develop better vocabularies read better and have better fine motor skills Boys on the other hand have better auditory memory are better at three dimensional reasoning are more prone to explore and achieve greater abstract design ability after puberty In this profoundly significant book author Michael Gurian synthesizes the current knowledge and clearly demonstrates how this distinction in hard wiring and socialized gender differences affects how boys and girls learn Gurian presents a new way to educate our children based on brain science neurological development and chemical and hormonal disparities The innovations presented in this book were applied in the classroom and proven successful with dramatic improvements in test scores during a two year study that Gurian and his colleagues conducted in six Missouri school districts

The Male Brain Louann Brizendine, MD, 2011-01-25 From the author of the groundbreaking New York Times bestseller The Female Brain here is the eagerly awaited follow up book that demystifies the puzzling male brain Dr Louann Brizendine the founder of the first clinic in the country to study gender differences in brain behavior and hormones turns her attention to the male brain showing how through every phase of life the male reality is fundamentally different from the female one Exploring the latest breakthroughs in male psychology and neurology with her trademark accessibility and candor she reveals that the male brain is a lean mean problem solving machine Faced with a personal problem a man will use his analytical brain structures not his emotional ones to find a solution thrives under competition instinctively plays rough and is obsessed with rank and hierarchy has an area for sexual pursuit that is 2.5 times larger than the female brain consuming him with sexual fantasies about female body parts experiences such a massive increase in testosterone at puberty that he perceives others faces to be more aggressive The Male Brain finally overturns the stereotypes Impeccably researched and at the cutting edge of scientific knowledge this is a book that every man and especially every woman bedeviled by a man will need to own

The Trouble with Boys Peg Tyre, 2009-08-11 From the moment they step into the classroom boys begin to struggle They get expelled from preschool nearly five times more often than girls in elementary school they are diagnosed with learning disorders four times as often By eighth grade huge numbers are reading below basic level And by high school they are heavily outnumbered in AP classes and save for the realm of athletics show indifference to most extra curricular activities Perhaps most alarmingly boys now account for less than 43 percent of those enrolled in college and the gap widens

every semester The imbalance in higher education isn't just a boy problem though Boys decreasing college attendance is bad news for girls too because admissions officers seeking balanced student bodies pass over girls in favor of boys The growing gender imbalance in education portends massive shifts for the next generation how much they make and whom they marry Interviewing hundreds of parents kids teachers and experts award winning journalist Peg Tyre drills below the eye catching statistics to examine how the educational system is failing our sons She explores the convergence of culprits from the emphasis on high stress academics in preschool and kindergarten when most boys just can't tolerate sitting still to the outright banning of recess from the demands of No Child Left Behind with its rigid emphasis on test taking to the boy unfriendly modern curriculum with its focus on writing about feelings and its purging of high action reading material from the rise of video gaming and schools unease with technology to the lack of male teachers as role models But this passionate clearheaded book isn't an exercise in finger pointing Tyre the mother of two sons offers notes from the front lines the testimony of teachers and other school officials who are trying new techniques to motivate boys to learn again one classroom at a time The Trouble with Boys gives parents educators and anyone concerned about the state of education a manifesto for change one we must undertake right away lest school become for millions of boys unalterably a girl thing [Raising Boys, Third Edition](#) Steve Biddulph, 2014-03-04 A revised edition of the bestselling and practical guide to the issues parents face in raising sons including sex violence homework sports the Internet and more and how to best aid boys development from birth to manhood Raising a happy loving responsible boy in today's world can be challenging In this third edition of his international best seller Steve Biddulph looks at the most important issues in a boy's development from birth to manhood With gentle humor and proven wisdom backed by decades as a family psychologist and father he shows parents how to provide the firm loving guidance that boys need Updates include information on mitigating the dangerous effects of online pornography male specific hearing problems and teen driving on boys Biddulph also discusses The three stages of boyhood and how to help them go smoothly Testosterone How it changes behavior and what to do about it How boys brain development differs from girls How to help boys cultivate a caring attitude toward sex The impact of competitive sports on boys and how to ensure it stays positive Questions to assist in finding boy friendly schools **Raising Boys With ADHD** James W. Forgan, Mary Anne Richey, 2021-09-03 Written by two professionals who have been there and done that with their own sons with ADHD Raising Boys With ADHD empowers parents to help their sons with ADHD find success in school and beyond The book covers topics not often found in other parenting guides such as the preschool years and early diagnosis and strategies for teens transitioning to work and college Filled with practical knowledge resources and tools needed to help parents address the many strengths and challenges of boys with ADHD this book provides parents with encouragement and hope for the future
