Winnie Zeng Unleashes a Legend Katie Zhao, 2022-04-26 An epic new fantasy series inspired by Chinese mythology that 1 New York Times bestselling author Kwame Mbalia calls a hilarious tussle between homework, family, and heroism. When a girl awakens the stuff of legends from an old family recipe, she must embrace her extraordinary heritage to save the world. Winnie Zeng has two goals: survive her first year of middle school and outdo her stuck-up archnemesis, David Zuo. It won't be easy since, according to her older sister, middle school is the pits. Luckily, Winnie studied middle school survival tactics in comic books and anime, and nothing will stop her from being the very best student. But none of Winnie's research has prepared her to face the mother of all hurdles: evil spirits. When she makes mooncakes for a class bake sale, she awakens the stuff of legends from her grandmother's old cookbook, spilling otherworldly chaos into her sleepy town. Suddenly, Winnie finds herself in a race against time, vanquishing demons instead of group projects. Armed with a magic cookbook and a talking white rabbit, she must embrace her new powers and legacy of her ancestors. Because if she doesn't, her town and rest of the world may fall to chaos forever.

Legend and Belief Linda Dégh, 2001-11-14 Industrial advancement has not changed the basic fragility of human life, and the commercialization and consumer orientation of the mass media has actually helped legends travel faster and farther. Legends are communicated not only orally, face to face, but also in the press, on radio, and television, on countless Web sites, and by e-mail, perpetuating new waves of the culture of fear.
