Aldrich, 2008-10-21 Norman Mailer said that George Plimpton was the best loved man in New York For more than fifty years his friends made a circle whose circumference was vast and whose center was a fashionable tenement on New York's East Seventy second street Taxi drivers hearing his address would ask Isn't that George Plimpton's place George was always giving parties for his friends It was one of the ways this generous man gave back This book is the party that was George's life and it's a big one attended by scores of people including Peter Matthiessen Robert Silvers Jean Stein William Styron Maggie Paley Gay Talese Calvin Trillin and Gore Vidal as well as lesser known intimates and acquaintances each with candid and compelling stories to tell about George Plimpton and childhood rebellion adult indiscretions literary tastes ego trips loyalties and jealousies riches and drugs and embracing life no matter the consequences In *George Being George* people feel free to say what guests say at parties when the subject of the

conversation isn't around anymore. Some even prove the adage that no best loved man goes unpunished. Together they provide a complete portrait of George Plimpton. They talk about his life, its privileged beginnings, its wild and triumphant middle, its brave sad end. They say that George was a man of many parts: the last gentleman founder and first editor of one of our best literary magazines, *The Paris Review*; the graceful writer who brought the New Journalism to sports in bestsellers such as *Paper Lion*, *Bogey Man*, and *Out of My League*; and Everyman's proxy: boxer, trapeze artist, stand-up comic, Western movie villain, and Playboy centerfold photographer. And one of the brave men who wrestled Sirhan Sirhan, the armed assassin of his friend Bobby Kennedy, to the ground. A Plimpton party was full of intelligent, funny, articulate people. So is this one. Many try hard to understand George, and some not always the ones you would expect are brilliant at it. Here is social life as it's actually lived by New York's elites. The only important difference between a party at George's and this book is that no one here is drunk. They just talk about being drunk. George's last years were awesome, truly so. His greatest gift was to be a blessing to others, not all sadly, and that gift ended only with his death. But his parties, if this is one, need never end at all.

Tuesday Night Football Alex Karras, Douglas Graham, 1991. What you don't see off-camera before, during, and after the televising of a professional football game. *International Television & Video Almanac*, 2007. **Motion Picture Almanac**, 2007. **Don Shula** Carlo DeVito, 2018-10-16. In *Don Shula: A Biography of the Winningest Coach in NFL History*, acclaimed sports historian Carlo DeVito captures the story of one of the greatest coaches in sports history. First distinguishing himself as a player with the Cleveland Browns under the great Paul Brown, Baltimore Colts, and Washington Redskins, Donald Francis Shula went on to be the boy wonder of the NFL as a coach. After serving for three seasons as the defensive coordinator for the Detroit Lions, where he oversaw one of the NFL's toughest units, Shula was named the youngest head coach in NFL history when he took over the Baltimore Colts in 1963. But after public feuding with star quarterback Johnny Unitas and owner Carroll Rosenbloom, and despite leading the team to two NFL championship games, Shula accepted the job as head coach of the perennial doormat Miami Dolphins in 1970. Within a few seasons, he took the Dolphins to three straight Super Bowls, winning twice, including the only undefeated Super Bowl championship season in 1972, behind a bruising running attack led by two 1,000-yard rushers, Larry Csonka and Mercury Morris, as well as the unheralded No Name Defense. Shula won more games (328) than any other coach in NFL history, led his teams to six Super Bowls, and only posted a losing record twice in thirty-three seasons on the sideline. He was enshrined in the Pro Football Hall of Fame in 1997. *Don Shula* chronicles the life of one of the greatest minds ever to be involved with the game, from the dawn of modern football to the close of the twentieth century. **International Motion Picture Almanac** Terry Ramsaye, 1992. **International Motion Picture Almanac**, 1993. Barry Monush, 1993. *International Television and Video Almanac* Tracy Stevens, 2001.
