Alexandria in the Civil War, 1861-1865 James Barber, 1977 *Alexandria in the Civil War* James Barber, 1988 Series centers on the battles leaders cities and significant events associated with the history of the Civil War in Virginia This volume details the city of Alexandria during the years 1861 1865 **The Civil War Chapter in the History of Alexandria, Virginia** J. Dallas Robertson, 1949 *Alexandria: 1861-1865* Charles a. Mills, Andrew L. Mills, 2008-04 Alexandria and Northern Virginia were the first areas to feel the fury of the Civil War The New York Herald war correspondent observed Many hamlets and towns have been destroyed during the war Alexandria has most suffered It has been in the uninterrupted possession of the Federals Alexandria is filled with ruined people they walk as strangers through their ancient streets and their property is no longer theirs to possess these things ensued as the natural results of civil war and one s sympathies were everywhere enlisted for the poor the exiled and the bereaved This book graphically portrays the scenes of war and occupation Occupied City Jeremy J. Harvey, 2003 **Alexandria Goes to War** George G. Kundahl, 2012-07 On the eve of the Civil War Alexandria Virginia was a bustling city with a rich cultural heritage and a booming economy Alexandrians staunchly supported staying in the Union and yet once Virginia voted to secede the community sent its men off to fight for the Confederacy This shift in political allegiance was not dissimilar to changes occurring across the Upper South What made Alexandria significant was that a community of 12 600 residents provided leadership and excellence disproportionate to its numbers Alexandria Goes to War chronicles the lives of men and women whose service made the city unique in the exceptional quality and variety of talent it provided to the Confederate cause Some of these sixteen individuals are familiar to Civil War readers as their contributions to the southern war effort brought them special notoriety General Lee of course and his son Custis Samuel Cooper the senior general in the Confederate army and Commodore French Forrest For others less well known attorneys George Brent and Douglas Forrest engineer Wilson Presstman politician Daniel Funsten student Randolph Fairfax and immigrant Patrick O Gorman the Civil War provided an opportunity to exercise their full talents Alexandrians Orton Williams and Frank Stringfellow became celebrated for their colorful adventures Montgomery Corse s life paralleled major developments in mid nineteenth century America Alexander Hunter went on to become a noted author of Civil War remembrances Kundahl also examines the fate of Anne Frobel a Southern sympathizer who spent the entire war behind Union lines The survey concludes by reflecting on the role of Edgar Warfield who well represents those forlorn survivors of the Lost Cause Taken as a whole these profiles constitute a microcosm of the South s desperate gamble to secede from the Union and form its own nation The accounts of their service represent not only a single community s contribution to the redefining contest in American life but also highlight the diverse endeavors that constituted the southern war effort Their stories reflect the sacrifices made throughout the region for a cause that became hopeless George G Kundahl served as executive director of the U S Securities and Exchange Commission and as a principal deputy assistant secretary at

the Department of Defense After thirty four years of commissioned service in the U S Army he is now major general US Army Retired A graduate of Davidson College he received an M A and Ph D in political science from the University of Alabama Kundahl is the author of Confederate Engineer Training and Campaigning with John Morris Wampler He and his wife divide time between their home in Alexandria and the French Riviera
