Alive In Krishna:

Alive Delhi Press, 2017-07-01 An informative inspiring and incisive issue that helps go ahead men lead a better life Its special attraction is an exhaustive review of current much talked about books *God is Dead, Now Zen is the Only Living Truth* Osho, 2024-05-04 God is the greatest dictator if you accept the fiction that he created the world and also created mankind If God is a reality then man is a slave a puppet All the strings are in his hands even your life Then there is no question of any enlightenment Then there is no question of there being any Gautam the Buddha because there is no freedom at all He pulls the strings you dance he pulls the strings you cry he pulls the strings you start murders suicide war You are just a puppet and he is the puppeteer V.R. Krishna Iyer a Living Legend (reprint) Krishna Iyer, Krishna Swamy, 2004

Krishna's Lineage, 2019-07-02 Forming the final part of the Sanskrit Mahabharata the Harivamsha's main business is to supply narrative details about the great god Vishnu's avatar Krishna Vasudeva who has been a comparatively minor character in the previous parts of the Mahabharata despite having taken centre stage in the Bhagavad Gita Krishna is born in Mathura some 85 miles south of present day Delhi As an infant he is smuggled out of Mathura for his own safety He and his brother Baladeva grow up among cowherds in the forest where between them they perform many miraculous deeds and kill many dangerous demons before returning to Mathura where they kill the evil King Kamsa and his cronies Thereafter Krishna is the hero and unofficial leader of his people the Yadava Vrishnis When Mathura is besieged by enemies Krishna leads his people to abandon the town and migrate west founding the dazzling new city of Dvaraka by the sea Krishna then repeatedly travels away from that base repeatedly to perform heroic deeds benefitting those in need including his own people his more immediate family and the gods After narrating the stories of Krishna the Harivamsha ends by finishing the story of Janamejaya with which the Mahabharata began The Harivamsha is a powerhouse of Hindu mythology and a classic of world literature It begins by contextualising Vishnu's appearance as Krishna in several ways in the process presenting a variety of cosmogonical cosmological genealogical mythological theological and karmalogical materials It then narrates Krishna's birth and adventures in detail Presenting a wide variety of exciting stories in a poetic register that makes extensive use of natural imagery the Harivamsha is a neglected literary gem and an ideal starting point for readers new to Indian literature

Krishna's Playground John Stratton Hawley, 2019-11-30 This is a book about a deeply beloved place many call it the spiritual capital of India Located at a dramatic bend in the River Yamuna a hundred miles from the center of Delhi Vrindavan is the spot where the god Krishna is believed to have spent his childhood and youth For Hindus it has always stood for youth writ large a realm of love and beauty that enables one to retreat from the weight and harshness of the world Now though the world is gobbling up Vrindavan Delhi's megalopolitan sprawl inches closer day by day half the town is a vast real estate development and the waters of the Yamuna are too polluted to drink or even bathe in Temples now style themselves as theme parks and the world's tallest religious building is under construction in Krishna's pastoral paradise What happens when the

Anthropocene Age makes everything virtual What happens when heaven gets plowed under Like our age as a whole Vrindavan throbs with feisty energy but is it the religious canary in our collective coal mine **Radhayan** Harsha V. Dahejia,2019-03-23 About the Book Of all the mythic characters in the Hindu pantheon none is more enigmatic and evocative than Radha Appearing for the first time in Jayadeva's Gita Govinda where she is the ultimate beloved she traverses political dynasties royal ateliers and social barriers to emerge as a consort of Krishna Brought alive by poets developing a colourful presence in the hands of painters dancing through prosceniums and acquiring a lyrical life through songs both classical and popular Radha is present in homes and havelis celebrated by the the samajika and the rasika has a presence in temples and roadside shrines as a symbol of pure and eternal love And yet there are so many questions about her life poets differ in their portrayals of her historians argue dancers claim her through their interpretations and for the common person she is now a shringara rasa nayika and now a goddess But Radha stands steadfastly alone refusing to be bound down by poets or potters dancers or singers Harsha V Dehejia weaves an enchanting story of Radha with a multicoloured thread where myth blends into history and fiction challenges reality and Radha emerges in all her poetic glory in this spellbinding story Vijay Sharma and his team of artists bring Radha colourfully alive with miniature paintings for it is there rather than sculpture that Radha resides She is essentially kavyamaya her origins are in the minds of poets it is there that she grows dallies and evolves And while her voice is heard in songs and her footsteps resonate with dancers it is in miniature paintings through line and colour that Radha comes alive as a multidimensional many nuanced paragon of love This is Radhayan About the Author Harsha V Dehejia has a double doctorate one in medicine and other in ancient Indian culture both from Mumbai University He is also a member of the Royal College of Physicians of London Glasgow and Canada all by examination He is a practising Physician and Professor of Indian Studies at Carleton University in Ottawa Canada His main interest is in Indian aesthetics

Krishna's Brutal Wisdom Aarav Devtirtha,2025-07-17 You've been lied to about Krishna He wasn't just the flute playing lover He was the sharpest strategist the fiercest teacher and the most dangerous mind in the Mahabharata Krishna didn't tell Arjuna to find peace He told him to fight This is not a devotional book Krishna's Brutal Wisdom is a spiritual punch in the gut drawn directly from the Gita but written for today's world where confusion is sold as compassion and cowardice is praised as healing When Arjuna broke down Krishna didn't comfort him He called out his weakness He cut through his emotional fog And he taught him how to act without clinging without guilt without fear Inside this book you'll find 20 hard hitting chapters that decode Krishna's rawest teachings The psychology of dharma and why most people hide behind niceness The difference between emotional comfort and spiritual clarity Real translations and blunt breakdowns of the Gita's most brutal verses A guide to becoming ruthless in the service of truth not pleasure This book is for those who are tired of endless self-help reels therapy speak without action and watered-down divine quotes that don't hold up when life gets brutal This is Krishna without the filter This is the Gita without the spiritual syrup This is war inside you around you through you If

you want comfort don't read this book If you want clarity Krishna is waiting **Alive in Krishna** Ghanaśyāmadāsa
Bīṛālā,1986 *Evolutionary Relationships of Living Lemurs and Lorises (Mammalia, Primates) and Their Potential Affinities
with European Eocene Adapidae* Jeffrey H. Schwartz,Ian Tattersall,1985 Jayam Badrinath N,2024-01-24 Jayam contains 7
light paths that show us the route to Dharma These 7 light paths have been derived from the timeless Mahabharata and are
universally applicable to all of us engrossed in playing the game of life wherein Dharma is the goal The chances of us losing
this game of life are high due to errors of assumed goodness and ignorance of the unknown rules of nature These limitations
and pitfalls are explored in Jayam thereby providing us insight into dharmic consciousness and a glimpse into our own
personal Dharmic Quotient DQ The provision of the Dharma model the Varna model and the Swadharma model in the book
offers the reader path maps and philosophical frameworks that pave the way for smart dharmic living Hence this book
focuses on the lessons for life keeping Dharma as the core Rather than revolving around role models this book explores the
Mahabharata to learn about the fallibility of human nature Even the greats like Dharmaputra Arjuna Vithura Draupadi
Dronacharya Bheeshmacharya and others who aspired to be in dharma had to battle their own shortcomings and external
challenges exhibiting varying percentages of dharmic strengths and weaknesses Taking sides that one was greater than the
other prevents us from learning invaluable lessons from them
