Zero Waste Secrets Honest Miracle, Kim Calera, 2019-10-07 What good is all of that greed the huge corporations have for money over our health and planet with single use chemical ridden products designed to break when there's no air left for us to breathe because we've polluted it If you're reading this book you're probably keen on saving our beautiful planet from waste toxins and plastic pollution You

might have also experienced what I call zero waste overwhelm where you want to do everything to fight climate change heal the planet and tell everyone about it to get them involved too That s brilliant but we all have our limits so don t push yourself to do too much at once I like to push myself just passed my limit then wait there for a little while before trying to get to the next level because if we burnout we can t help anyone The top excuse I ve heard from people as to why they don t go greener or try zero waste is that they can t be perfect like the social media influencers who fit all of their years rubbish into one jar We don t have to be that extreme In fact how do we know they actually did fit all of their years rubbish into one jar There s a thought So I created this book as a realistic guide to zero waste maybe that s not the best name maybe it should be called conscious living or less waste because in all honesty it s impossible to have ZERO waste My hope is that you will use this guide to ease your way into zero waste less waste conscious living or you can use it to add to your current eco knowledge Don t forget to share it with family and friends so that we can all do our bit to help the planet and to also help our families and ourselves Because we re all in this together
