

ALEXANDER H. STEPHENS OF GEORGIA

A Biography

THOMAS E. SCHOTT

Alexander H Stephens Of Georgia A Biography

Frank Henry Norton

Alexander H Stephens Of Georgia A Biography:

Alexander H. Stephens of Georgia Thomas E. Schott,1996-10-01 WINNER OF THE JEFFERSON DAVIS AWARD Rising from humble origins in the middle Georgia cotton belt Alexander H Stephens 1812 1883 became one of the South s leading politicians and lawyers Thomas E Schott has written the first scholarly biography that analyzes the interplay between the public and private Stephens and between state and national politics during his contradictory career Stephens was a celebrated Whig turned Democrat who served as congressman from 1843 to 1859 and an antisecessionist who became vice president of the Confederacy Ignored by the Davis administration once in office he eventually opposed most of its wartime policies Schott argues that Stephens devotion to the southern cause was as genuine as his devotion to civil liberties and states rights After the war he became an elder statesman for Georgia serving nine more years as a congress man and the last five months of his life as governor **Life of Alexander H. Stephens** Richard Malcolm Johnston,William Hand

Browne,1883 Alexander H. Stephens of Georgia Thomas Edwin Schott,1988 *The Life of Alexander H. Stephens* Frank Henry Norton,1883 **Alexander H. Stephens, a Biography** Rudolph Von Abele,Rudolph Radama Von Abele,1946

Alexander H. Stephens, in Public and Private. With letters and speeches, before, during, and since the War. [With plates, including portraits.] Henry Cleveland,1866 Alexander H Stephens Rudolph von Abele,2018-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Recollections of Alexander H. Stephens Alexander Hamilton Stephens,1910 Alexander H. Stephens, in Public and Private Henry Cleveland,1866

Alexander H. Stephens Louis Pendleton,2020-07-05 This biography appears in the series of American Crisis Biographies The author has obtained much interesting material from files of Georgia and other Southern newspapers of the 1840 s 50 s and 60 s from old letters and scrapbooks of the war period and from manuscripts in the possession of the archives of the government at Washington Alexander H Stephens was one of the most interesting personalities in the American Civil War He was Vice President of the short lived Southern Confederacy A remarkable man in many respects his gift of eloquence gave him an almost unique position as a lawyer and his constitutional views lend a certain piquancy to the

record of his public life He was not so much concerned in the retention or abolition of slavery when he assisted to fight the North as in the assertion of State rights He was their most powerful advocate and he supported the war in so far as it was intended to uphold the right to secede When the result of the war showed that might and his theory of right were on opposite sides he accepted the event however unwelcome as conclusive It is not easy for us to day to understand all that was involved in the triumph of the North and the placing of the whites of the South at the political mercy of their former slaves We get an idea from this biography A great life full of tragedy both public and private yet also full of triumph and of usefulness is Mr Pendleton s summing up A scholar a man of deep political learning of profound knowledge of constitutional history of moderate opinions and temperate spirit the Saturday Review called him when noticing his Constitutional Men of the Late War Between the States This life is worth reading first as a study of the man secondly for the light it throws on the struggle between North and South The author also delves into secession movements in the country preceeding the Southern movement particular the opposition of New England to The War of 1812 and their desire to secede as a result Very logical book not of the sentimental syrupy variety at all Well sourced and annotated

Reviewing **Alexander H Stephens Of Georgia A Biography**: Unlocking the Spellbinding Force of Linguistics
