

Alexander The Great And The Greeks

Ian Worthington

Alexander The Great And The Greeks:

Alexander the Great and the Greeks Nathaniel Harris,1986 Traces the life of the warrior king of Macedonia who conquered and unified the known world and even led his army into unexplored areas in his quest for new lands to conquer Also discusses the history and culture of Ancient Greece and describes the impact of its civilization on the Western world

Alexander the Great and the Greeks Nathaniel Harris,1985 Traces the life of the warrior king of Macedonia who conquered and unified the known world and even led his army into unexplored areas in his quest for new lands to conquer Also discusses the history and culture of Ancient Greece and describes the impact of its civilization on the Western world

Alexander and the Greeks Victor Ehrenberg,1938 *Alexander the Great* Philip Freeman,2011-10-18 Alexander the Great Alexander III of Macedon was one of history's great generals a man studied by Caesar and Napoleon among hundreds of others He was born to the king of Macedon and educated by Aristotle whose inquiring mind Alexander appreciated After his father Philip II was assassinated the 19 year old Alexander succeeded to the throne and swiftly consolidated power Over the next 13 years until his death at age 32 Alexander created one of the great empires of history covering an area as far south as Egypt and as far east as Afghanistan and India Most of the world that he conquered had been the province of the Persian Empire Upon his death his empire was broken up and ruled by his generals the best known were the Ptolemies who ruled Egypt until Cleopatra was defeated by Caesar Alexandria Egypt and many other Alexandrias throughout that part of the world were named in his honour Alexander's greatest influence was not his leadership his empire was eventually conquered by Rome but spreading Greek culture throughout the lands east of the Mediterranean He is the reason that gold coins from Afghanistan depicted Greek gods and heroes until as recently as several centuries ago It is because of Alexander that St Paul a Jew who lived in modern day Syria before travelling to modern day Israel spoke Greek and it is because of Alexander that the earliest Christian documents including the scriptures were written in Greek **Alexander the Great** Paul Cartledge,2005-11-01 The definitive biography of the towering hero of the classical world a fearless general the conqueror of the Persians and the visionary ruler of a vast empire from one of the world's foremost scholars of ancient Greece An amazingly solid balanced and evocative view of the man The Washington Post Book World Paul Cartledge gives us the most accessible reliable and intimate portrait of Alexander III of Macedon the man himself brilliantly evoking his remarkable political and military accomplishments cutting through the myths to show why he was such a great leader He explores our endless obsession with Alexander and gives us insight into both his capacity for brutality and his sensitive grasp of international politics As he brings Alexander vividly to life Cartledge also captures his enduring impact on world history and culture *Alexander the Great* Thomas R. Martin,Christopher W. Blackwell,2012-09-28 Everything we know about Alexander comes from ancient sources which agree unanimously that he was extraordinary and greater than everyday mortals From his birth into a hypercompetitive world of royal women through his training under the eyes and fists of stern

soldiers and the piercing intellect of Aristotle through friendships rivalries conquests and negotiations through acts of generosity and acts of murder this book explains who Alexander was what motivated him where he succeeded in his own eyes and where he failed and how he believed that he earned a new mixed nature combining the human and the divine This book explains what made Alexander Great according to the people and expectations of his time and place and rejects modern judgments asserted on the basis of an implicit moral superiority to antiquity **Alexander the Great** Ian

Worthington,2014-07-10 Alexander the Great conquered territories on a superhuman scale and established an empire that stretched from Greece to India He spread Greek culture and education throughout his empire and was worshipped as a living god by many of his subjects But how great is a leader responsible for the deaths on tens of thousands of people A ruler who prefers constant warring to administering the peace A man who believed he was a god who murdered his friends and recklessly put his soldiers lives at risk Ian Worthington delves into Alexander s successes and failures his paranoia the murders he engineered his megalomania and his constant drinking It presents a king corrupted by power and who for his own personal ends sacrificed the empire his father had fought to establish Alexander the Great: A Very Short

Introduction Hugh Bowden,2014-07-24 Alexander the Great became king of Macedon in 336 BC when he was only 20 years old and died at the age of 32 twelve years later During his reign he conquered the Achaemenid Persian Empire the largest empire that had ever existed leading his army from Greece to Pakistan and from the Libyan desert to the steppes of Central Asia His meteoric career as leader of an alliance of Greek cities Pharaoh of Egypt and King of Persia had a profound effect on the world he moved through Even in his lifetime his achievements became legendary and in the centuries that following his story was told and retold throughout Europe and the East Greek became the language of power in the Eastern

Mediterranean and much of the Near East as powerful Macedonian dynasts carved up Alexander s empire into kingdoms of their own underlaying the flourishing Hellenistic civilization that emerged after his death But what do we really know about Alexander In this Very Short Introduction Hugh Bowden goes behind the usual historical accounts of Alexander s life and career Instead he focuses on the evidence from Alexander s own time letters from officials in Afghanistan Babylonian diaries records from Egyptian temples to try and understand how Alexander appeared to those who encountered him In doing so he also demonstrates the profound influence the legends of his life have had on our historical understanding and the controversy they continue to generate worldwide ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *Alexander the Great* Waldemar Heckel, Lawrence A. Tritle,2009-03-09 Alexander the Great A New History combines traditional scholarship with contemporary research to offer an innovative treatment of one of history s most famous figures Written by leading experts in the field Looks at a wide range of diverse

topics including Alexander's religious views his entourage during his campaign East his sexuality the influence of his legacy and his representations in art and cinema Discusses Alexander's influence from his impact on his contemporaries to his portrayals in recent Hollywood films A highly informed and enjoyable resource for students and interested general readers

Who Was Alexander the Great? Kathryn Waterfield, Robin Waterfield, Who HQ, 2016-06-07 Alexander the Great conquers the New York Times best selling Who Was series When Alexander was a boy in ancient Macedon he already had grand ambitions He complained that his father the great king of Macedon wasn't leaving anything for him to conquer This of course was not the case King Alexander went on to control most of the known world of the time His victories won him many supporters but they also earned him enemies This easy to read biography offers a fascinating look at the life of Alexander and the world he lived in
