Alexander the Great in Jerusalem Ory Amitay, 2025-03-21 *Alexander the Great in Jerusalem Myth and History* discusses four different stories told in antiquity about the meeting between Alexander the Great and the Judeans of Jerusalem. In history this meeting passed without noticeable events. Into the historical void stepped various Judean storytellers who wrote not what was but what could or even should have been. The tradition as a whole deals with an issue that resurfaced time and again in ancient Judean history: conquest and regime installment by new foreign rulers. It does so by using Alexander as a cipher for a current Hellenistic and Roman foreign rule. The earliest version can be traced to the context of the Seleukid monarch Antiochos III the Great and postulates a Judean text from that time that has been hitherto unknown and which survived in a Byzantine recension of the *Alexander Romance*. The second and third chapters turn to rabbinic sources and deal with the Judean approaches and attitudes towards Roman occupation and rule first at the advent of Pompey and then at the institution of *Provincia Iudaea* at the expense of the Herodian dynasty. The final story is the most famous previously considered the earliest rather than the latest: that of Josephus. *Alexander the Great in Jerusalem* demonstrates how the historical tradition consistently maintained the moral and sacral superiority of the Jerusalem temple and of Judaism, making Alexander either embrace monotheism or prostrate himself before the Judean high priest. This not only bolstered Judean self confidence under conditions of military and political inferiority but also brought the changing foreign rulers into the fold of Judean sacred history.

ALEXANDER THE GREAT IN BACTRIA AND INDIA NARRATIVE Dan-Tudor IONESCU, 2025-01-01 This book is not only the attempt at the reconstruction of the military expedition of the army of Alexander the Great in Bactria and India and an analysis of the historical sources on which our modern image of Alexander's age is based but also aims at reconstructing the *imago mundi* that the ancient Greeks and Macedonians had on the world they conquered. The birth and development of Alexander's myth are also treated in these pages.

C.P. Cavafy Historical Poems J. Phillipson, 2013-08 *Cavafy's Historical Poems* is the first volume of a four book set constituting a study of the life and opus of this fascinating poet. The second volume is an anecdotal life detailing Cavafy's home and its atmosphere, the man, the poet and his lifestyle, the odes of his compatriot partisans, the praises of his foreign admirers, the barbs and insults of his critics and revilers, the poet as a critical ironist and the last part of his life. More than one hundred commentators are quoted and just as many of his poems are used where it seemed appropriate. A third volume consists of erratic commentaries containing the author's evaluation and criticism of the main contributions to Cavafy's poetry. That is these of George Seferis, Sir Maurice Bowra, Robert Liddell, Edmund Keeley, Grigorios Xenopoulos, Timos Malanos, Stratis Tsirkas, John Sareyiannis and others. These follow an opening chapter on Hellenization and a second chapter on the controversial subject of the dates of composition of Cavafy's poems. The fourth volume, *The Canon*, is a verse translation of the
