Alexander The Great's Art Of Strategy Partha Sarathi Bose, 2003-07-01 **Alexander The Great's Art Of Strategy: Lessons From Great Empire Builder** Partha Bose, 2003 **Alexander The Great's Art of Strategy** Partha Bose, 2003 *The Art of Strategy* Owen E. Hughes, 2021-05-13 Strategy is best understood not as a science but as an art, one of universal applications that transcend situation or historical context. The principles that were successful in war and politics through history can have real and demonstrable applications in business and management. Here, professor of strategy Owen Hughes helps practitioners and students to draw those parallels and to develop a profound and holistic understanding of strategy that will help them plan for and achieve success. Describing strategy as an intersection of five facets: purpose, capability, will, terrain and tactics, Hughes draws from colourful and dramatic examples from history and clearly demonstrates how these tactics might be applied in your own life and work. This book is an ideal strategy text for any practitioner, lecturer or student who tires of familiar strategy frameworks with limited scope.

Alexander the Great, **Alexander the Great** Paul Cartledge, 2005-11-01 The definitive biography of the towering hero of the classical world, a fearless general, the conqueror of the Persians and the visionary ruler of a vast empire. From one of the world's foremost scholars of ancient Greece, an amazingly solid, balanced and evocative view of the man. The Washington Post Book World: Paul Cartledge gives us the most accessible, reliable and intimate portrait of Alexander III of Macedon, the man himself brilliantly evoking his remarkable political and military accomplishments, cutting through the myths to show why he was such a great leader. He explores our endless obsession with Alexander and gives us insight into both his capacity for brutality and his sensitive grasp of international politics. As he brings Alexander vividly to life, Cartledge also captures his enduring impact on world history.
