

ALFRED HITCHCOCK'S
Psycho

A C A S E B O O K

EDITED BY ROBERT KOLKER

Alfred Hitchcocks Psycho A Casebook

RJ Alexander

Alfred Hitchcock's Psycho A Casebook:

Alfred Hitchcock's Psycho Robert Phillip Kolker, 2004 Alfred Hitchcock's Psycho A Casebook brings together critical essays on this influential and teachable film The essays not only elaborate on the complexities of the film but represent the spectrum of film criticism including an analysis of its music and close readings illustrated by many stills from the film

Alfred Hitchcock's Psycho Robert Phillip Kolker, 2004 **Alfred Hitchcock's Psycho** Robert Phillip Kolker, 2006

The Cambridge Companion to Alfred Hitchcock Jonathan Freedman, 2015-07-08 In this Companion leading film scholars and critics of American culture and imagination trace Hitchcock's interplay with the Hollywood studio system the Cold War and new forms of sexuality gender and desire over his thirty year American career Psycho in the Shower Philip J.

Skerry, 2009-04-01 This is a brilliant study of one scene in one movie the shower scene from Psycho Every other chapter is an extended interview with someone who worked on the original film or on Gus van Sant's remake from a few years ago The non interview chapters take various approaches to film criticism and refer often to the author and his writing of this book It's lightly done but compelling and often very entertaining *Peeping Through the Holes* Eugenio M. Olivares Merino, Julio A. Olivares Merino, 2014-09-26 The essays presented in this book focus on Psycho both the novel by Robert Bloch 1950 and the film by Alfred Hitchcock 1960 Therefore the different approaches range from film studies to literary criticism Norman Bates has become an icon of the late twentieth century horror genre and the movie set the basis for later cinematic developments Over 50 years after the release of the book and the movie it inspired new readings revisions and adaptations of the domestic tragedy of Norman Bates and his mother are still being produced as recently as Sacha Gervasi's Hitchcock in 2012 Now the curtains either on the stage or in the bathroom are about to open and a most peculiar house with its silhouette and endorsement of doom is waiting up on the hill No cameras or pencils are allowed you're invited to a ritual that only your eyes will view and your imagination will embody Leave all hope behind and enter at your own risk The Bates terrifying rollercoaster welcomes you Nothing is over here at least not until it overcomes you **Hitchcock and the Cinema of**

Sensations Paul Elliott, 2011-08-30 When we talk of seeing a film we do not refer to a purely visual experience Rather to understand what we see on screen we rely as much on non visual senses as we do on sight This new book rethinks the body in the cinema seat charting the emergence of embodied film theory and drawing on developments in philosophy neuroscience body politics and film theory Through the prism of Alfred Hitchcock's films we explore how our bodies and sensual memory enable us to quite literally flesh out what we see on screen the trope of nausea in Frenzy pollution and smell in Shadow of a Doubt physical sound reception in the Psycho shower scene and the importance of corporeality and closeness in Rear Window We see how the body's sensations have a vital place in cinematic reception and the study of film **A Hitchcock Reader** Marshall Deutelbaum, Leland Poague, 2009-02-24 This new edition of A Hitchcock Reader aims to preserve what has been so satisfying and successful in the first edition a comprehensive anthology that may be used as a critical text in

introductory or advanced film courses while also satisfying Hitchcock scholars by representing the rich variety of critical responses to the director's films over the years a total of 20 of Hitchcock's films are discussed in depth many others are considered in passing section introductions by the editors that contextualize the essays and the films they discuss well researched bibliographic references which will allow readers to broaden the scope of their study of Alfred Hitchcock

Cervantes' Don Quixote Roberto Gonzalez Echevarria, 2010-04-10 This casebook gathers a collection of ambitious essays about both parts of the novel 1605 and 1615 and also provides a general introduction and a bibliography The essays range from Ramon Menéndez Pidal's seminal study of how Cervantes dealt with chivalric literature to Erich Auerbach's polemical study of Don Quixote as essentially a comic book by studying its mixture of styles and include Leo Spitzer's masterful probe into the essential ambiguity of the novel through minute linguistic analysis of Cervantes prose The book includes pieces by other major Cervantes scholars such as Manuel Durán and Edward C Riley as well as younger scholars like Georgina Dopico Black All these essays ultimately seek to discover that which is peculiarly Cervantean in Don Quixote and why it is considered to be the first modern novel **Ezra Pound's Cantos** Peter Makin, 2006 Publisher description

Immerse yourself in the artistry of words with Experience Art with is expressive creation, **Alfred Hitchcocks Psycho A Casebook** . This ebook, presented in a PDF format (*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
