Algonquin The Park And Its People:

Algonquin Donald Standfield, Liz Lundell, 1993 **More Trails, More Tales** Bob Henderson, 2014-11-29 Draws on Canadian exploration history geography anthropology literature and philosophy striking a balance that will delight serious naturalists and armchair historians alike **Northern Light** Roy MacGregor, 2011-09-06 NATIONAL BESTSELLER FINALIST FOR THE OTTAWA BOOK AWARD FOR NON FICTION Roy MacGregor's lifelong fascination with Tom Thomson first led him to write *Canoe Lake* a novel inspired by a distant relative's affair with one of Canada's greatest painters Now MacGregor breaks new ground re-examining the mysteries of Thomson's life loves and violent death in the definitive non-fiction account Why does a man who died almost a century ago and painted relatively little still have such a grip on our imagination The eccentric spinster Winnie Trainor was a fixture of Roy MacGregor's childhood in Huntsville Ontario She was considered too odd to be a truly romantic figure in the eyes of the town but the locals knew that Canada's most famous painter had once been in love with her and that she had never gotten over his untimely death She kept some paintings he gave her in a six quart basket she'd leave with the neighbours on her rare trips out of town and in the summers she'd make the trip from her family cottage where Thomson used to stay on foot to the graveyard up the hill where fans of the artist occasionally left bouquets There she would clear away the flowers After all as far as anyone knew he wasn't there she had arranged at his family's request for him to be exhumed and moved to a cemetery near Owen Sound As Roy MacGregor's richly detailed *Northern Light* reveals not much is as it seems when it comes to Tom Thomson the most iconic of Canadian painters Philandering deadbeat or visionary artist and gentleman victim of accidental drowning or deliberate murder the man's myth has grown to obscure the real view and the answers to the mysteries are finally revealed in these pages

Paehlke, 2013-04-03 Focusing on both problems and solutions this authoritative reference work maintains a healthy balance between science and the social sciences in its coverage of all aspects of the environment The book is arranged alphabetically and is divided into three major sections Ecology Pollution and Sustainability The list of 240 contributors reads like a who's who of the world's leading conservation and environmental professionals Best Reference Source Outstanding Reference Source *Canadian Geographic*, 1993 [Treasuring Algonquin](#) Gaye I. Clemson, 2007-02-19

A welcome addition to Algonquin Park human history lore *Treasuring Algonquin* provides a glimpse into the lives of a small community of leaseholders who have treasured their experiences in Algonquin Park through the past century **Ecological Issues on Reintroducing Wolves Into Yellowstone National Park** ,1993 *Tourism in National Parks and Protected Areas* Paul F. J. Eagles, Stephen F. McCool, 2002 This book describes the state of the art of tourism planning and management in national parks and protected areas It also provides guidelines for best practice in tourism operations **The Culture of Hunting in Canada** Jean L. Manore, Dale Miner, 2011-11-01 The Culture of Hunting in Canada is about a pivotal but little studied aspect of Canadian history culture and society It covers elements of the history of hunting from the pre colonial period until the present in all parts of Canada featuring essays by practitioners and scholars of hunting and by pro and anti hunting lobbyists The result crosses the boundaries between scholarship and personal reflection and between academia and advocacy The essays collected here address important historical and contemporary issues regarding the culture and practice of hunting Topics include hunting identities conservation and its relationship to hunting tensions between hunters and non hunters and between Aboriginal and non Aboriginal hunting groups hunting ethics debates over hunting practices and regulations animal rights and gun control The discussion involves consideration of the social political and economic context as well as class and racial tensions between sport hunters and subsistence hunters The Culture of Hunting in Canada makes an unprecedented contribution to the study of hunting in Canada and its role in our culture It will appeal to sociologists anthropologists and historians of hunting culture wildlife biologists natural resource managers and environmentalists and not least hunters and anyone interested in the culture of hunting
