Alien Son Sirius S:

The Alien Apocalypse Frank Morin, 2014-05 *THE SIRIUS CONSPIRACY* HENRY WESTWOOD, 2011-05-03 It s 2035
Vicky Hoile a researcher of the Palomar Observatory was the first person of the entire planet to see the comet that was later to become known as Promethius Hoile what didn t make sense were the trace elements in its tail and this body being unrecorded or unregistered and it seemed like Pluto has been hiding its approach What the people on earth don t know it is an alien specie from another solar system the Siriusians had settled on Pluto years ago and has been carefully planning and preparing and preparing their colonization of earth What fate awaits earth The Siriusians and the Solar System Find out in the first book of Hoile Nuttall Trilogy The Ezzrath Metaphysical and Biblical Encyclopedia Ezzrath Baht Shem, 2001-10
The Ezzrath Metaphysical and Biblical Encyclopedia explains terminology found in both the Bible and Metaphysics Sample terminologies are Inanna Enki Holy Grail paranormal incantations Kabbalah Adam Kadmon Chakra Anunnaki Vedic Culture Transfiguration Alchemy Merkabah Bible Canon Zoraosta and so forth This book is an excellent compliment to the Ultimate Deceit of the Human Race as a reference guide The Purification Papers Daniel Briggs, 2012 This original 2012 review by an Amazon Top 1000 Reviewer was redacted from the Amazon Website Author Daniel Briggs has done a lot of work to put together this remarkable compilation of evidence that we are inevitably heading toward a major shift in consciousness I was very impressed he must have read hundreds of books in his research of this compilation It includes history going back to matriarchal times biblical times esoterica alien influences the Mayans of course the Bible code Terence McKenna s analysis of the I Ching and much much MUCH more Modern events such as 9 11 and OJ Simpson are weaved into the prophecies Though I have read a great deal on the vast majority of these topics I was nonetheless surprised and shocked by tidbits of info such as the concept that men actually leave energy lines in women during sex and these take 7 years to go away Astronaut Edgar Mitchell went into Samadhi during his space flight I was most astonished to learn that even hard headed engineering types have concluded that this shift is inevitable as we head toward zero point energy There is hope on the horizon I love how Mr Briggs suggests we will develop siddhis powers after the shift Attendance at the Hogwarts schools of the new Golden Age promises inconceivable thrills as we develop our God given siddhis in a natural and controlled environment Without doubt the most popular class will be flying Sporadic levitations have been recorded throughout history mostly connected with an overpowering euphoric vision rapture My only complaint about this book is that there is no introduction for us to get the overall picture of what the book is about nor is there an author bio But if you want a summary of all things pointing to a major shift this is a great read Susan Schenck Amazon Top 1000 Reviewers **Spy**, 1996-12 Smart Funny Fearless It s pretty safe to say that Spy was the most influential magazine of the 1980s It might have remade New York s cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There s no magazine I know of that s so continually referenced held up as a

benchmark and whose demise is so lamented Dave Eggers It s a piece of garbage Donald Trump **Whitaker's Book List**
