Aliens Took My Daughter:

Aliens Took My Daughter Little Friend Press, Hendersen, 1998-09 A story told in rhyme by a father who thinks aliens must have taken his daughter and left a very rambunctious toddler in her place **Baby Aliens Got My Teacher** Pamela

Butchart, 2014-01-09 One day Izzy and her friends are surprised to find that their teacher Miss Jones is actually being nice to them This is the woman who was caught secretly smiling when Maisie Miller fell off her chair There can only be one conclusion she's been taken over by aliens and now she wants to make them all aliens too From the book One time I found a crisp shaped EXACTLY like Mrs Cunningham who lives upstairs and when I showed Mum she just said No thanks you eat it I obviously did NOT eat it I put it in an envelope and carefully posted it through Mrs Cunningham's letter box Because that's what I would want someone to do if they found a crisp shaped exactly like me also called a crisp twin Enjoyable for its childlike sense of adventure humour and imagination The Sunday Times full of fun The bold bright package is particularly enticing making this a book that children will want to pick up With quirky characters laugh out loud humour and a reassuringly familiar primary school setting it will particularly appeal to young readers with lively imaginations BookTrust

The Elijah Diaries Bernard Johnson, Susan LeRoux, 2014-12-16 Young Lauren dwells in an inquisitive world where the lines separating fantasy from reality are often blurred But not even with her naive heightened sense of daring could she be prepared for the unreal events characters creatures and bizarre adventures of her kidnapping **Ugh!** Ned

Crowley, 2005-09-01 Illustrations and simple text describe some unusual characteristics of such insects as grasshoppers beetles caterpillars praying mantis and more **The Human Reinstatement** Joseph Cabbage, 2021-12-07 When meteors strike Earth destroying every major city the fallout is immediate and devastating Surrounding towns and smaller cities survive the meteors but are thrust into an apocalyptic nightmare The survivors quickly realize it was not meteors that destroyed the major cities it was a deliberate and orchestrated attack from above The power quickly goes out and cell phones become useless People begin to loot and kill for basic necessities Survivors from across the country must now survive not only the attack but each other What is left of the US population is trying to get to an Air Force base in the Pacific Northwest that is rumored to be operational Before they can organize anything extraterrestrials begin showing up to take care of the surviving human population Most of the surviving humans are killed but a select few are spared and taken onto the mothership These are what the aliens are calling the Chosen Ones A few of the chosen ones happen upon some sinister things the aliens are doing to humans aboard The aliens eventually reveal their plans for the human race and it does not sit well with anyone The aliens have the upper hand The humans are trapped with no way of fighting back Any resistance is quickly met with deadly repercussions Three brave survivors hatch a plan to destroy the mothership and hopefully save humanity No matter if they succeed or fail the human race will never be the same again Life on Earth will forever be changed
