Apocalypse Of Adam Ezra Sbl Dissertation Series 46:

Portraits of Adam in Early Judaism John R. Levison, 2015-01-29 This book provides the most thorough and systematic analysis of early Jewish interpretations of Adam currently available With detailed exegesis Levison demonstrates that each early Jewish author painted a unique portrait of Adam by utilizing Adam to express a particular preconceived theological Tendenz This study therefore displaces the notion that a unified Adam mythology existed in early Judaism with the recognition that each author readily adapted the early chapters of Genesis according to specific needs and aims Alongside an introduction which surveys studies of early Jewish interpretations of Adam and studies on the Adam cycle this book contains analyses of all relevant passages from Sirach Wisdom of Solomon Philo Jubilees Josephus 4 Ezra 2 Baruch Apocalypse of Moses and Vita Adae et Evae This monograph is an indispensable tool for both Old and New Testament studies providing a variety of early Jewish examples of biblical exegesis from c 200 BCE to 135 CE as well as insight into the milieu within which Paul and other early Christian writers formulated their own unique interpretations of Adam

Ancient Israelite And Early Jewish Literature Th. Theodoor Christiaan Vriezen, Adam Simon van der Woude, 2005 This introduction to the Old Testament Hebrew Bible offers a literary and historical critical approach containing some religio historical or theological explanations where appropriate

Elenchus bibliographicus ,1982 *Theologies in Conflict in 4 Ezra* Karina Hogan, 2008 Recent scholarship on 4 Ezra has taken two divergent approaches the first reading the dialogues between Ezra and Uriel as a reflection of theological debates in the author s time and the second focusing on the psychological development of the protagonist Combining the two approaches this book offers a new interpretation of the dialogues as a literary representation of a debate between covenantal and eschatological wisdom two branches of Jewish wisdom that emerged in the late Second Temple period The inconclusive quality of the dialogues indicates the author s dissatisfaction with Uriel s attempt at a rational theodicy Ezra s subsequent transformation points to the symbolic visions as the locus of the author s apocalyptic solution to the intractable theological problems raised in the dialogues
