Big Cindys School Bus:

Finding Mrs. Warnecke Cindi Rigsbee, 2010-03-15 *Finding Mrs. Warnecke* tells the inspiring story of Cindi Rigsbee a three time Teacher of the Year and Barbara Warnecke the first grade teacher who had a profound and lasting impact on Cindi's life Cindi an insecure child who craved positive attention started her first grade year with a teacher who was emotionally abusive and played favorites in the classroom Two months into the school year her principal came into the classroom and announced that half the students were being moved to another classroom a dank windowless basement room with a young and inexperienced teacher This change turned out to be the best thing that ever happened to Cindi Her new teacher Mrs Warnecke made learning come alive for her students She went overboard caring for each child made her classroom magical and encouraged students to pursue their dreams Although Cindi was reluctant to explore her creativity as a student Mrs Warnecke encouraged her to read and write poetry which became a lifelong passion The two kept in touch for several years but lost track of each other when Mrs Warnecke moved out of state Cindi spent many years trying to reconnect so she could thank Mrs Warnecke for making such a difference in her life but to no avail Eventually Cindi became a teacher herself and thirty years later she has taught more than 2 000 children and been named Teacher of the Year for her home state She later came to realize that all those years she wasn't really trying to track down Barbara Warnecke but rather she was trying to find Mrs Warnecke within herself In Fall 2008 Cindi and Barbara were reunited on Good Morning America the show's producers had tracked Barbara down and brought both women on set for a tearful reunion Barbara was floored at this attention she had no idea she could have made such an impact on a former student's life As Cindi travels around talking with new and veteran educators she is always approached by audience members who are moved to tears and want to share the story of the Mrs Warnecke in their own lives *Finding Mrs. Warnecke* not only tells the story of this teacher who made a lifelong impact on her students it illustrates the importance of the teacher student relationship in the classroom and offers principles for other teachers to follow to make a positive impact in their own classrooms [Back to Orchard Street](#) Jacqueline Vater
