Big Clay Pot:

The Epic of Kelefaa Saane Sirifo Camara, 2010-04-23 This powerful and popular epic honors the legendary warrior prince of Kaabu and Mandinka cultural hero Kelefaa Saane. A standard of the griot repertoire, the epic of Kelefaa Saane is customarily taught to young performers at the beginning of their careers. Sirifo Camara's masterful recitation was recorded in Dakar in 1987. It has been transcribed in Mandinka and is translated into English here for the first time. The epic, as it describes Kelefaa's life and exploits, relates what it means to be Mandinka. Kelefaa's extraordinary prowess and virtue derive from the political, social, moral, and theological founding myths of the Mandinka people. This beautiful and engaging performance provides a unique perspective on the intellectual and literary heritage of West Africa. **Kunim Delia J. Nzekwu**, 2023-09-28 Set within the cultural and geographical framework of Nigeria, *Kunim Raise Me Up* is a collection of not so short stories that examine universal themes such as discrimination and familial discord, as well as culturally specific biases, beliefs, and traditions, as it takes its readers on three very distinct but equally enlightening journeys. In *Fate*, two young motherless sisters are forced to navigate the often tumultuous waters of intra-cultural stereotyping and discrimination while their father is away on business. *Shadows* tells the story of a young Nigerian businessman currently living in the United States who returns to his home village and falls for a beautiful young woman whose mysterious nature has him rethinking everything he'd thought he understood about himself, the world, and the nature of the supernatural. And finally, in *Eyes that Speak*, a young girl whose parents perpetually keep themselves too busy to even notice her, let alone the unravelling of their own marriage, is feeling disconnected, alone, and fed up with the world until an unexpected kindness from a supposed adversary changes absolutely everything, though perhaps not for the better. Whether the Nigerian culture is your own, familiar to your own, or nothing like your own, the heart of this collection is the universality of the themes shining a light into the depth of mankind's complicated nature and how we cope with living as disparate collections of individuals among the larger multitudes juggling cultural traditions, expectations, and our own instinctive need to belong. **Upper Perené Arawak Narratives of History, Landscape, and Ritual** Elena Mihás, Gregorio Santos Pérez, Delia Rosas Rodríguez, 2014-12-01 A comprehensive bilingual collection of Ashéninka Perené Arawakan oral literature including traditional narratives, ethnographic accounts of old customs and rituals, contemporary women's autobiographical stories, songs, chants, and ritual speeches. **Unfolding** Kyle St. Claire, 2016-11-11 A young woman and a minister are unknowingly drawn into an ancient drama. Along the way, they face circumstances that challenge the very notions of who they are and how they will understand ever-evolving human and divine relationships. Both material and spiritual things take on a surprising luster amidst the struggles, splendor, and intricacies of the given world. **Siswati** Claudia W. Corum, 1985 Academic Writing Andrew P. Johnson, 2016-05-08 This book provides a foundation and framework to enhance your understanding of the various processes involved in academic writing. The term academic writing here refers to the types of writing used in college-level writing.
