Reddy the Little Red Fire Engine Arlene Fiorella,2014-02-04 Reddy is a little red fire engine living in a firehouse with his parents Reddy is afraid of fires and this story tells how he overcomes his fear and becomes a hero My Big Red Fire Truck Stephen T. Johnson,2022-09-06 From bestselling and Caldecott Honor artist Stephen T Johnson comes a multi concept novelty book that s a book and toy in one with sturdy moving parts young readers can play with while they read Firefighters in training can get their own firetrucks ready and learn to tell time with this interactive concept book It s a new day at the firehouse and you have twenty minutes to get the truck ready Hoses ladders radio let s go Eight pop out pieces one steering wheel two pull tabs nine turn knobs a magic slate and a dazzling grand finale will provide hours of fun Big Red Fire Engine Rose Greydanus,1989-06 Describes the big red fire engine and how it puts out a fire The Bone Bodies David Martin,2012-10 It was still light so I decided to venture out into the garden I had never walked out of an argument before and certainly not one at such an early stage I think we were both quite pig headed and my pride had taken an instant punch to the kidney I didn t expect Rachel to follow me outside and I certainly didn t want her to I had slighted her suggestion and she had taken it badly I knew I should have stayed talked it through and made her see my side of things I should have told her that I would do this film and if the future didn t work out as I hoped then I would consider her proposal Hell as an accountant she would set the business up for me and keep all the books All I would have to do was do up shitty old houses Most of it was all cosmetic anyway a lick of paint here a new carpet there a few light fittings and stuff All done on the cheap supermarket goods made to look expensive People would pay more for the houses giving me more profit Once they moved in they could take all my crappy fittings out if they wanted to it wouldn t bother me in the slightest I had the skill for it and that was one of the most important factors in her proposal The one thing I didn t have just now was the will to do it and that made one bitch of a difference I walked down the path at the front of the house I marvelled at my own work as I passed by the grass was neatly cut and was growing in neat strips making it look like a professionally cut soccer pitch or tennis court The gravel driveway was well laid and even There were a couple of stone sculptures at either end of the drive In fact they weren t

stone at all but a kind of outdoor material made to look like stone They were weighted down with sand and looked pretty authentic I figured that if my movie was a success and I got other roles soon I would invest in some real stone ones I wandered right down to the end of the drive where our land meets the main road When I say main road I don't mean a major carriageway it was actually a B road which led towards the M1 There wasn't a lot of traffic around at the best of times although tonight was unusually silent I couldn't even hear the usual dull and distant roar of the traffic from the motorway as a thousand souls passed in the near vicinity of my life Tonight there seemed to be nobody about not even in the distance It was just the night for a perfect murder Why that thought entered my head I was unsure it just suddenly popped in there and refused to budge It was disturbing that I should have such an idea so easy but there it was I could kill Rachel and then there would be no reason why I couldn't do whatever I wanted I could act forever I could paint houses forever whatever the fuck I wanted to do With her out of the way there would be nothing to stop me except my own ambition I couldn't quite believe I was having these thoughts I know that everyone is prone to the occasional lapse in normal behaviour but it usually passes in a moment or two It also leads to intense remorse that the thought ever occurred Not in this case though The thought of digging a grave right here and now and luring Rachel here throwing her into the newly dug hole and covering it with earth She would scream for a while but there would be nobody to hear her I would keep filling the hole with earth and then the screaming would stop She would be gone forever I would report her missing and she would never be found I would be looked at with sympathy and my career would skyrocket because of it I would be the hero who came back from the brink to relaunch a successful acting career I would marry a supermodel but not before a string of torrid but highly sexually charged relationships had taken place I had a peculiar sensation of déjà vu as if this wasn't exactly a new thought or indeed a new experience for me I did
