in School and Home in Tibetan Areas of China: Stories of Struggle YiXi LaMuCuo, 2019-07-09 This book contributes significantly to our understanding of bilingualism and bilingual education as a sociocultural and political process by offering analyses of the stories of five Tibetan individual journeys of becoming bilingual in the Tibetan areas of China at four different points in time from 1950 to the present The data presented comprises the narrative of their bilingual encounters including their experiences of using language in their families in village and in school Opportunities to develop bilingualism were intimately linked with historical and political events in the wider layers of experiences which reveal the complexity of bilingualism Moreover their experiences of developing bilingualism are the stories of struggle to become bilingual They struggle because they want to keep two languages in their lives It illustrates their relationship with society They are Tibetans L1 is not the official language of their country but it is the tie with their ethnicity It addresses bilingualism linked with the formation of identity The unique feature of this book is that it offers a deep understanding of bilingualism and bilingual education by examining the stories of five individuals learning experiences over a period of almost 60 years *Demystifying*

Bilingualism Silke Jansen, Sonja Higuera del Moral, Jessica Stefanie Barzen, Pia Reimann, Markus Opolka, 2021-12-02 This book analyses changing views on bilingualism in Cognitive Psychology and explores their socio cultural embeddedness It offers a new innovative perspective on the debate on possible cognitive disadvantages in bilinguals arguing that it is biased by popular language myths which often manifest themselves in the form of metaphors Since its beginnings Cognitive Psychology has consistently modelled the coexistence between languages in the brain using metaphors of struggle conflict and competition However an ideological shift from nationalist and monolingual ideologies to the celebration of bilingualism under multicultural and neoliberal ideologies in the course of the 20th century fostered opposing interpretations of language coexistence in the brain and its effects on bilinguals at different moments in time This book will be of interest to students and scholars of Cognitive Psychology Psycholinguistics Multilingualism and Applied Linguistics Cognitive and Computational Linguistics and Critical Metaphor Analysis *Gender, Policy and Educational Change* Sheila Riddell, Jane

Salisbury,2003-05-20 Gender equality has been a major educational theme for the past two decades and has become interwoven with other policy themes including those of marketisation and managerialism Contributors to this strong collection are key researchers in their fields and seek to address the following questions What patterns are discernible in the educational attainment of girls and boys over the past two decades To what extent are changes attributable to gender equality policies What form have gender equality policies taken in different parts of the UK What has been the impact of European equality policies How have gender equality policies been experienced by particular groups including pupils from ethnic minority and working class backgrounds This book aims to take an overall look at how significant have been the changes in experiences aspirations and culture of girls and boys and male and female teachers It explores how attempts to improve equal opportunities in education have fared and examines the tensions and contradictions in recent policies

International Bibliography of Sociology 1995 ,1996 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences **Language, Ethnicity and the State, Volume 1** C. O'Reilly,2016-01-18 Developments in the European Union over the last decade have been largely positive from the perspective of stateless and minority ethnic groups and the survival and prosperity of minority languages This selection of sociologically and ethnographically oriented work enables the reader to compare developments in different ethno linguistic revival movements within the European Union The contributions also explore the impact of EU policy and discourse on the individual movements and the orientation of Western Europe as a whole towards linguistic heterogeneity and cultural diversity A companion volume 0 333 92924 1 examines the status of minority languages in post 1989 Eastern Europe Bilingualism and Education Rommert S.
