PURPUREA Raffaele Carlucci, 2013-12 Non esiste l'alba Giselle In questo romanzo cinematografico presento un'epopea corale che fa dell'epica tragica il suo punto di forza Sullo sfondo di una Russia divisa tra passato e modernità nei primi anni del 900 si intrecciano le storie di un giovane soldato messo alle strette dalle atrocità della guerra civile dei due gemelli Andrea e Giselle ritrovatisi dopo tredici anni in una super natura solitaria e glaciale e del sadico e spietato capitano Foska personificazione del male assoluto Quando le vie del soldato disilluso dei gemelli amanti e del folle capitano si riuniranno la tragedia attuerà il suo fatale destino senza risparmiare nessuno **Purpurea** il mio primo romanzo tratto da una sceneggiatura che scrissi da adolescente Scriverlo stato per me e spero lo sarà anche leggerlo per voi una straordinaria esperienza visiva sublime ed angosciante allo stesso tempo

Cherished Camille Serino Rebimbas, 2024-08-13 November 1 2017 was the day my life turned upside down in an instant A day full of unsettling occurrences all led up to one phone call the tragic death of my baby sister Not only was she gone but she was taken away from us by the hands of a murderer and we were left to settle in the dust Ever since this unspeakable tragedy occurred I have wanted to share my sister's amazing story I never knew how or when this would happen but knew it needed to be shared So many incredible unexplainable things happened and it was scary to think that these things or her memory could somehow be forgotten in time I knew that God would direct my thoughts on how to share this if and when the time was right and I know that time is now All everyone heard up until now was a murderer's side of a made up story without being able to tell Tara's side Well now it's our time Now it's Tara's time Let me forewarn you though this isn't your typical story This is the 100 percent true story of a brave young girl who never backed down from what she believed in It is a conversion story the likes of which you've probably never heard from a person living in this time It is the story of tragedy and immense grief filled with court dates and trials It is the story of family love mental health lurking evil and overwhelming goodness It is the story of the power of prayer and the intense reality of the spiritual world in a constant battle

for your priceless soul It is the story of great hope of the afterlife We were advised for four years straight not to say much back to all the lies we heard because it may have been used against us in court Four years is a long time to wait but more than anything we wanted justice for Tara so we stayed silent Well now it s finally Tara s turn and it s time to shout her truth to the world This is Tara s story **My Generation** Simone Malacrida,2023-04-18 The stories of three generations told following distinct themes unfold against the backdrop of the events that characterized the twentieth century focusing in particular on what happened in Russia Germany and the United States Three complementary visions alternate to provide the reader with a clear picture of the motivations and reflections that accompanied the personal decisions of the protagonists and the public choices of entire generations Mikhail Hans and Frank pour all their expectations into the meanderings of History experiencing firsthand the tragedies and greatness of their era while giving a final reinterpretation of the events that occurred *Il disegno. L'architettura del moderno. Dalla rivoluzione industriale a oggi. Per il triennio* Emilio Morasso,2003

World's Fairs Italian-Style Cristina Della Coletta,2006-12-15 According to conventional wisdom Italy was not an influential participant in the nationalistic and imperialistic discourses that world s fairs produced in countries such as Great Britain France and the United States In the late nineteenth and early twentieth centuries however Italy hosted numerous national and international exhibitions expounding notions of national identity imperial expansion technological progress and capitalist growth World s Fairs Italian Style explores world s fairs in Italy at the turn of the twentieth century in comparison to their more famous counterparts in France England and the United States Cristina Della Coletta demonstrates that because of its social fragmentation and hybrid history Italy was a site of both hegemony and subordination an aspiring imperial power whose colonization started from within She focuses on two best selling authors Emilio Salgari and Guido Gozzano and illustrates how these authors interpreted their age s exposition mentality Salgari and Gozzano s exposition narratives Della Coletta argues reveal Italy s uncertainties about own sense of national identity and its belated commitment to Western imperialism Of interest to students and scholars of literature cultural history and Italian World s Fairs Italian Style provides a fascinating glimpse into a hitherto unexplored area of study and brings to light a cultural phenomenon that played a significant role in shaping Italy s national identity

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
