Armies Corps Divisions and Separate Brigades:

Armies, Corps, Divisions, and Separate Brigades ,1987 *Armies, Corps, Divisions, and Separate Brigades* ,1999
Includes the lineages and honors for all armies corps divisions and separate combined arms brigades in order to perpetuate and publicize their traditions honors and heraldic entitlements organized under Tables of Organization and Equipment that have been active in the Regular Army Army Reserve and Army of the United States since the beginning of World War II
Included in this edition is the 12th Infantry Division formerly the Philippine Division which did not appear in the earlier one
The lineages are current through 1 October 1997 Brigade headquarters and headquarters companies or headquarters except for aviation and engineer brigades organic to the above mentioned combat divisions since ROAD Reorganization Objective Army Divisions in the early 1960s have also been incorporated Divisional aviation and engineer brigades are branch specific and therefore have been omitted The lineages and honors for Army National Guard divisions and separate combined arms brigades that were active on 1 October 1997 are also included Preface *Armies, Corps, Divisions, and Separate Brigades* ,1999 **Maneuver and Firepower** John B. Wilson,1998 *Maneuver and Fire Power: The Evolution of Divisions and Separate Brigades (Cloth Edition format only)* John B. Wilson,1999-01-20 CMH 60 14 Army Lineage Series Traces the evolution of divisions and brigades in the United States Army Gives a systematic account of the way these two organizations evolved highlighting the rationales behind that evolution and the many factors that played a part in bringing those changes into reality L C card 94 21031 *Maneuver and Firepower* United States Army Center of Military History,2015-01-23
Maneuver and Firepower the companion volume to John B Wilson s *Armies Corps Divisions and Separate Brigades* traces the evolution of two unique and complex U S Army organizations divisions and separate brigades that combined combat arms combat support combat service support units into well oiled engines for war The Army has used divisions and brigades since the colonial era but the national leadership did not provide for their permanency in the force until the twentieth century Wilson has prepared a detailed systematic account of the way these two organizations developed highlighting operational art rationales and broad but interrelated technological political and economic factors that played a significant part in bringing the structural changes into reality As Wilson shows both organizations have played a pivotal role in the American military experience and their exploits form the core of the Army s history in the twentieth century Force planners today will find the challenges of making these military formations responsive to the ever changing and unpredictable global dynamics affecting power and security relationships highly relevant today This groundbreaking volume is an invaluable reference source for those involved in the ongoing Army Transformation *The Brigade: A History, Its Organization and Employment in the US Army* ,2004 This work provides an organizational history of the maneuver brigade and case studies of its employment throughout the various wars Apart from the text the appendices at the end of the work provide a ready reference to all brigade organizations used in the Army since 1917 and the history of the brigade colors **Publications of the U.S. Army**
