Mitcham, 2019-03-12 Just who was Erwin Rommel War hero or war criminal Hitler flunky or man of integrity Military genius or just lucky Now bestselling military historian Samuel W Mitcham Jr gets to the heart of the mysterious figure respected and even admired by the people of the Allied nations he fought against Mitcham recounts Rommel's improbable and meteoric military career his epic battles in North Africa and his fraught relationship with Hitler and the Nazi Party Desert Fox The Storied Military Career of Erwin Rommel reveals How Rommel's victories in North Africa were sabotaged by Hitler's incompetent interference How Rommel burned orders telling him to commit war crimes Why it wouldn't have helped Patton if he really had read Rommel's book How Rommel was responsible for the Germans defense against the D Day landing Why the plot to overthrow Hitler was fatally compromised when Rommel was gravely injured in an Allied attack The reason Rommel agreed to commit suicide after his part in the plot was discovered by Hitler Mitcham's gripping account of Rommel's life takes you through the amazing adventure of the World War II battles in North Africa Again and again Rommel outfoxed the Allies until the war of attrition and Hitler's blunders doomed the Axis cause Illustrated with dozens of historical photos this illuminating biography paints a fascinating and tragic picture of the man known as the Desert Fox *Infantry Attacks* Erwin Rommel, 1944 Written directly after combat Rommel critiques his own battle strategies and tactics during World War I in an attempt to learn further from his losses and victories *Patton and Rommel* Dennis Showalter, 2006-01-03 General George S Patton His tongue was as sharp as the cavalry saber he once wielded and his fury as explosive as the shells he'd ordered launched from his tank divisions Despite his profane posturing manner and the sheer enthusiasm for conflict that made both his peers and the public uncomfortable Patton's very presence commanded respect Had his superiors given him free rein the U S Army could have claimed victory in Berlin as early as November of 1944 General Erwin Rommel His battlefield manner was authoritative his courage proven in the trenches of World War I when he was awarded the Blue Max He was a front line soldier who led by example from the turrets of his Panzers Appointed to command Adolf Hitler's personal security detail Rommel had nothing for contempt for the atrocities perpetrated by the Reich His role in the F hrer's assassination attempt led to his downfall Except for a brief

confrontation in North Africa these two legendary titans never met in combat Patton and Rommel is the first single volume study to deal with the parallel lives of two generals who earned not only the loyalty and admiration of their own men but the respect of their enemies and the enmity of the leaders they swore to obey From the origins of their military prowess forged on the battlefields of World War I to their rise through the ranks to their inevitable clashes with political authority military historian Dennis Showalter presents a riveting portrait of two men whose battle strategies changed the face of warfare and continue to be studied in military academies around the globe **Erwin J. E. Rommel** Earle Rice,2009 *Monty and Rommel* Peter Caddick-Adams,2013-09-24 An accessible well honed study of two fascinating characters who famously fought each other in numerous battles during WWII from Egypt to D Day Kirkus Bernard Montgomery and Erwin Rommel faced one another in a series of extraordinary battles that established each man as one of the greatest generals in history Born four years apart their lives were remarkably similar Each came from provincial roots nearly died in WWI yet emerged from that great conflict with glowing records Through their many duels including their legendary conflicts in North Africa and later at the Normandy D Day invasion Peter Caddick Adams tracks and compares their military talents and personalities Monty and Rommel explores how each general was raised to power by their war leaders Churchill and Hitler and how the innovative military strategy and thought of both permeate down to today s armies Rommel and His Art of War Erwin Rommel,2003 Rommel himself one of the most successful and well known commanders of World War II writes about his views on the philosophy of warfare battles leaders and the progress of both World Wars A complete picture of how a military genius grappled with the actuality of war is presented through Rommel s accounts of his experiences **Erwin Rommel, 1891-1944** Karl Hoffmann,2004 This volume traces the career of the man who was to become the legendary Desert Fox marking him as one of the finest military men of the 20th century It also reveals his faults and the sad end to his life when he chose suicide rather than a show trial when accused of plotting against Hitler Rommel: Desert Fox Desmond Young,1987-02-18 Early in 1941 the famed British Eighth Army was on the route to victory in North Africa Just a few months later this same army was on the verge of total defeat as the Germans had won victory after victory and were threatening to overrun Egypt and the Middle East Here is the classic biography of the man who masterminded this great turnaround Field Marshal Erwin Rommel commander of the German Afrika Korps The man who burned Hitler s order to execute British raiders and who gave Allied prisoners the same food and medical treatment as his German troops The tough general who personally conducted reconnaissance under fire in an open car while his tank commanders hid in armored turrets The author of this book Brigadier General Desmond Young fought against Rommel in North Africa was captured by him and after his release at the end of the war visited Rommel s family and talked with many of his fellow officers Thus he is able to tell us about intrigues that went on in the German High Command during the war he is able to give a blow by blow description of such decisive battles as Tobruk and El Alamein and he is able to give personal anecdotes about Rommel and to sort out the

facts from the legends that have sprung up around this extraordinary general
