The World's Fastest Man Michael Kranish, 2019-05-07 In this sharp eyed account of a nearly forgotten African American sports legend Publishers Weekly the remarkable Major Taylor who became the world s fastest bicyclist at the height of the Jim Crow era Kranish has done historians and fans a service by reminding us that such immortals as Joe Louis Jesse Owens Serena Williams and Tiger Woods all followed in Major Taylor s wake The Washington Post In the 1890s the nation s promise of equality had failed spectacularly While slavery had ended with the Civil War the Jim Crow laws still separated blacks from whites and the excesses of the Gilded Age created an elite upper class When Major Taylor a young black man announced he wanted to compete in the nation s most popular and mostly white man s sport cycling Birdie Munger a white cyclist who once was the world s fastest man declared that he could help turn the young black athlete into a champion Twelve years before boxer Jack Johnson and fifty years before baseball player Jackie Robinson Taylor faced racism at nearly every turn especially by whites who feared he would disprove their stereotypes of blacks In *The World s Fastest Man* years in the writing investigative journalist Michael Kranish reveals new information about Major Taylor based on a rare interview with his daughter and other never before uncovered details from Taylor s life Kranish shows how Taylor indeed became a world champion traveled the world was the toast of Paris and was one of the most chronicled black men of his day From a moment in time just before the arrival of the automobile when bicycles were king the populace was booming with immigrants and enormous societal changes were about to take place both inspiring and heartbreaking this is an essential

contribution to sports history Booklist starred review The World's Fastest Man restores the memory of one of the first black athletes to overcome the drag of racism and achieve national renown The New York Times Book Review

Consumers' Imperium Kristin L. Hoganson, 2010-03-15 Histories of the Gilded Age and Progressive Era tend to characterize the United States as an expansionist nation bent on Americanizing the world without being transformed itself In *Consumers' Imperium* Kristin Hoganson reveals the other half of the story demonstrating that the years between the Civil War and World War I were marked by heightened consumption of imports and strenuous efforts to appear cosmopolitan Hoganson finds evidence of international connections in quintessentially domestic places American households She shows that well-to-do white women in this era expressed intense interest in other cultures through imported household objects fashion cooking entertaining armchair travel clubs and the immigrant gifts movement From curtains to clothing from around the world parties to arts and crafts of the homelands exhibits Hoganson presents a new perspective on the United States in the world by shifting attention from exports to imports from production to consumption and from men to women She makes it clear that globalization did not just happen beyond America's shores as a result of American military might and industrial power but that it happened at home thanks to imports immigrants geographical knowledge and consumer preferences Here is an international history that begins at home

The Bulletin of the Brooklyn Institute of Arts and Sciences ... Brooklyn Institute of Arts and Sciences, 1919 **The Race** James Schefter, 2010-06-30 Indispensable to anyone interested in the space race Houston Chronicle In 1963 a young reporter for Time Life named James Schefter was given a dream job cover America's race to the moon Since the astronauts were under contract to Life for their stories Schefter was given complete access to the biggest players at NASA But at the time his primary role was to excite the public about the new expensive experimental space program and he couldn't write about everything he saw In *The Race* he does From drunken astronaut escapades to near disasters to ferocious political battles the race to the moon was anything but the smooth process it appeared There were vicious fights between the engineers feuds and practical jokes near fatal accidents and dozens of brave smart and colorful characters pulling off the greatest exploration in the history of humankind Like *Undaunted Courage* and *D Day* this is a tale of achieving the extraordinary against extraordinary odds As incredible as the official story of the space program is the true behind-the-scenes tale is more thrilling more entertaining and ultimately more ennobling
