Armenian People From Ancient To Modern Times 2 Volume Set:

The History of Armenia Simon Payaslian, 2007-12-26 There is a great deal of interest in the history of Armenia since its renewed independence in the 1990s and the ongoing debate about the genocide an interest that informs the strong desire of a new generation of Armenian Americans to learn more about their heritage and has led to greater solidarity in the community By integrating themes such as war geopolitics and great leaders with the less familiar cultural themes and personal stories this book will appeal to general readers and travellers interested in the region *(Re)constructing Armenia in Lebanon and Syria* Nicola Migliorino, 2008 For almost nine decades since their mass resettlement to the Levant in the wake of the Genocide and First World War the Armenian communities of Lebanon and Syria appear to have successfully maintained a distinct identity as an ethno culturally diverse group in spite of representing a small non Arab and Christian minority within a very different mostly Arab and Muslim environment The author shows that while in Lebanon the state has facilitated the development of an extensive and effective system of Armenian ethno cultural preservation in Syria the emergence of centralizing authoritarian regimes in the 1950s and 1960s has severely damaged the autonomy and cultural diversity of the Armenian community Since 1970 the coming to power of the Asad family has contributed to a partial recovery of Armenian ethno cultural diversity as the community seems to have developed some form of tacit arrangement with the regime In Lebanon on the other hand the Armenian community suffered the consequences of the recurrent breakdown of the consociational arrangement that regulates public life In both cases the survival of Armenian cultural distinctiveness seems to be connected rather incidentally with the continuing search for legitimacy of the state A Compendium of World Sovereigns: Volume I Ancient Timothy Venning, 2023-06-30 The Compendium of World Sovereigns series contains three volumes Ancient Medieval and Early Modern These volumes provide students with easy to access who s who with details on the identities and dates ages and wives where known of heads of government in any given state at any time within the framework of reference The relevant original and secondary sources are also listed in a comprehensive bibliography Providing a clear reference guide for students to who was who and when they ruled in the dynasties and other ruler lists for the Ancient Medieval and Early Modern worlds primarily European and Middle Eastern but including available information on Africa and Asia and the pre Columbian Americas The trilogy accesses and interprets the original data plus any modern controversies and disputes over names and dating reflecting on the shifts and widening of focus in student and academic studies Each volume contains league tables of rulers records and an extensive bibliographical guide to the relevant personnel and dynasties plus any controversies so readers can consult these for extra details and know exactly where to go for which information All relevant information is collected and provided as a one stop shop for students wishing to check the known information about a world Sovereign The Ancient volume begins with the Pharaohs in Egypt and moves through Greece Classical and Early Medieval Armenia Crimea Syria Jordan Israel and Judah Persia India and ends with the Roman World in

the east and west A Compendium of World Sovereigns Volume I Ancient provides students and scholars with the perfect reference guide to support their studies and to fact check dates people and places

The Ottoman Endgame Sean McMeekin, 2015-10-13 An astonishing retelling of twentieth century history from the Ottoman perspective delivering profound new insights into World War I and the contemporary Middle East Between 1911 and 1922 a series of wars would engulf the Ottoman Empire and its successor states in which the central conflict of course is World War I a story we think we know well As Sean McMeekin shows us in this revelatory new history of what he calls the wars of the Ottoman succession we know far less than we think The Ottoman Endgame brings to light the entire strategic narrative that led to an unstable new order in postwar Middle East much of which is still felt today The Ottoman Endgame War Revolution and the Making of the Modern Middle East draws from McMeekin's years of groundbreaking research in newly opened Ottoman and Russian archives With great storytelling flair McMeekin makes new the epic stories we know from the Ottoman front from Gallipoli to the exploits of Lawrence in Arabia and introduces a vast range of new stories to Western readers His accounts of the lead up to World War I and the Ottoman Empire's central role in the war itself offers an entirely new and deeper vision of the conflict Harnessing not only Ottoman and Russian but also British German French American and Austro-Hungarian sources the result is a truly pioneering work of scholarship that gives full justice to a multitiered war involving many belligerents McMeekin also brilliantly reconceives our inherited Anglo-French understanding of the war's outcome and the collapse of the empire that followed The book chronicles the emergence of modern Turkey and the carve up of the rest of the Ottoman Empire as it has never been told before offering a new perspective on such issues as the ethno-religious bloodletting and forced population transfers which attended the breakup of empire the Balfour Declaration the toppling of the caliphate and the partition of Iraq and Syria bringing the contemporary consequences into clear focus Every so often a work of history completely reshapes our understanding of a subject of enormous historical and contemporary importance The Ottoman Endgame is such a book an instantly definitive and thrilling example of narrative history as high art

Armenian Philology in the Modern Era, 2014-06-05 Philology is one of the most investigated fields of Armenian studies At the end of the twentieth century it was important to provide an overview of the main achievements and on the methodological approaches implemented in this field till now This is the aim of the present publication Part I focuses on the manuscripts the inscriptions and the printings Its second section is devoted to the textual criticisms and the third section explores the interface between linguistics and philology Case studies form the core of Part II One chapter offers an overview on the 17th-19th centuries and two articles are devoted to the conditions of the circulation of the literary production in the 20th century both in Western and Eastern Armenian

The Heritage of Armenian Literature Agop Jack Hacikyan, Gabriel Basmajian, Edward S. Franchuk, Nourhan Ouzounian, 2000 Preserving Armenia's rich literary tradition from a multitude of viewpoints has been the aim of this three-volume work This third volume joins the previous two in making excerpts of Armenian masterpieces

The Archaeology of Medieval Islamic Frontiers A. Asa Eger, 2019-05-15 The Archaeology of Medieval Islamic Frontiers demonstrates that different areas of the Islamic polity previously understood as minor frontiers were in fact of substantial importance to state formation Contributors explore different conceptualizations of border the importance of which previously went unrecognized examining frontiers in regions including the Magreb the Mediterranean Egypt Nubia and the Caucasus through a combination of archaeological and documentary evidence Chapters highlight the significance of these respective regions to the emergence of new sociopolitical cultural and economic practices within the Islamic world These studies successfully overcome the dichotomy of civilization s center and peripheries in academic discourse by presenting the actual dynamics of identity formation and the definition both spatial and cultural of boundaries The Archaeology of Medieval Islamic Frontiers is a rare combination of a new reading of written evidence with results from archaeological studies that will modify established opinions on the character of the Islamic frontiers and stimulate similar studies for other regions The book will be relevant to medieval Islamic studies as well as to research in the medieval world in general Contributors Karim Alizadeh Jana Eger Kathryn J Franklin Renata Holod Tarek Kahlaoui Anthony J Lauricella Ian Randall Giovanni R Ruffini Tasha Vorderstrasse
