Bob Carruthers, 2012-02 It looks very rough If I get through this one I will be very lucky Brigadier General Gavin U S 82nd Airborne Division This book reviews the complex set of military operations played out in the Netherlands during September 1944 involving the forces of Britain Canada Poland the USA and Germany providing a wide selection of sources covering each of the belligerents The book features the previously unpublished war diary of Captain Graham Davies bringing a new perspective on the often overlooked contribution made by the artillerymen in support of both Operation Market and Operation Garden The German viewpoint is covered by the contemporary newspaper account translated from the pages of The Westkurier The report was filed by war reporter

Erwin Kirchhof and provides a powerful insight into the events of the battle as filtered through the prism of Goebbels propaganda machine Two extracts from the official accounts of the 101st Airborne and 82nd Airborne Divisions give an indication of the strong conviction still held in the US camp that the operation had been a complete success

A Bridge Too Far Cornelius Ryan, 2015-06-18 Arnhem 1944 the airborne strike for the bridges over the Rhine The true story of the greatest battle of World War II and the basis of the 1977 film of the same name directed by Richard Attenborough The Battle of Arnhem one of the most dramatic battles of World War II was as daring as it was ill fated It cost the Allies nearly twice as many casualties as D Day This is the whole compelling story told through the vast cast of characters involved From Dutch civilians to British and American strategists its scope and ambition is unparalleled superbly recreating the terror and suspense the heroism and tragedy of this epic operation I know of no other work of literature of World War II as moving as awesome and as accurate in its portrayal of human courage

General James A Gavin Arnhem 1944 Bob Carruthers, 2014-02 This book reviews the complex set of military operations played out in the Netherlands during September 1944 involving the forces of Britain Canada Poland the USA and Germany providing a wide selection of sources covering each of the belligerents The book features the previously unpublished war diary of Captain Graham Davies bringing a new perspective on the often overlooked contribution made by the artillerymen in support of both Operation Market and Operation Garden The German viewpoint is covered by the contemporary newspaper account translated from the pages of The Westkurier The report was filed by war reporter Erwin Kirchhof and provides a powerful insight into the events of the battle as filtered through the prism of Goebbels propaganda machine Two extracts from the official accounts of the 101st Airborne and 82nd Airborne Divisions give an indication of the strong conviction still held in the US camp that the operation had been a complete success Finally an excerpt from the official account of the British First and Sixth Airborne Divisions shows the British point of view of the battle of Arnhem making this a compulsive purchase for all Second World War enthusiasts

A Bridge Too Far Cornelius Ryan, 2010-02-16 The classic account of one of the most dramatic battles of World War II A Bridge Too Far is Cornelius Ryan s masterly chronicle of the Battle of Arnhem which marshalled the greatest armada of troop carrying aircraft ever assembled and cost the Allies nearly twice as many casualties as D Day In this compelling work of history Ryan narrates the Allied effort to end the war in Europe in 1944 by dropping the combined airborne forces of the American and British armies behind German lines to capture the crucial bridge across the Rhine at Arnhem Focusing on a vast cast of characters from Dutch civilians to British and American strategists to common soldiers and commanders Ryan brings to life one of the most daring and ill fated operations of the war A Bridge Too Far superbly recreates the terror and suspense the heroism and tragedy of this epic operation which ended in bitter defeat for the Allies

Arnhem Frank Steer, 2003 This guide focuses on the fighting at the bridge in Arnhem itself and the approaches to it It is designed to offer as necessary background information an overview of why the battle took place and an outline of the main

events That done it then sets out to guide the visitor on a tour of the particular action at the Arnhem Bridge and the battles in Arnhem covering some of the key sights and occurrences Preface A Bridge Too Far ,1974 **A Bridge at Arnhem**
Charles Whiting,2007-01-01 Operation Market Garden a massive airborne strike designed to open a corridor through Nazi held Holland by pass the Siegfried Line and crush the 1 000 Year Reich before Christmas Despite the gallantry of the elite First British Airborne Division the Red Devils who were to seize the key bridge across the Lower Rhine at Arnhem the Operation ended in a resounding victory for the Germans This is the story of this epic battle the commanders who planned it and the units who paid for their mistakes A Bridge Too Far? Martin W. Bowman,2013-09-24 This final entry in a series on the Allied Operation Market Garden examines the final days of the Battle of Arnhem with eyewitness accounts This the fourth and final volume of the series on Market Garden in September 1944 reveals the final fate of the troops at Oosterbeek and the decision to evacuate all able bodied men in Operation Berlin as well as the subsequent Operation Pegasus when the Allies tried to return as many beleaguered troops back to Allied lines as possible Was Arnhem indeed a bridge Too Far While Market Garden certainly was a heroic failure conducted at great cost it is debatable whether it contributed materially to the ultimate victory or was a foolish sacrifice of thousands of troops aircrew and Dutch civilians in an ill conceived assault on the German held bridges across the Lower Rhine There is no doubting the gritty gallant and valorous contribution on the part of the British Dominion American and Polish paratroopers the RAF and USAAF aircrews and their German opponents and Dutch civilians Their incredible illuminating and often understated accounts of extraordinary courage camaraderie shared terror and encounters with the enemy offer a more personalized view of Market Garden through the words of those who were there at the heart of the action These tales are complemented by the author s background information supplemented by the inclusion of daily timelines that give an overall picture of each battle and air operation
