Around Africa And Asia By Sea Trade And Travel Routes:

Around Africa and Asia by Sea Irene M. Franck, David M. Brownstone, 1999-06-01 The Spice Route was the first true link between East and West At the height of its use it linked the great civilizations of the Mediterranean India and Southeast Asia The Spice Route is believed to have originated some 5 000 years ago and parts of the route are traveled today To follow its development is to observe the power struggle of countless empires for its control and to learn how Western and Eastern cultures adapted to each other through economic partnership The Cape of Good Hope Route around Africa played an equally critical role in East West trade 50 maps and illustrations Subject Guide to Children's Books In Print, 1996 R R Bowker Publishing, 1996 Atlas of Travel and Tourism Development Myra Shackley, 2007-03-14 From travel in the ancient and classical world to the growth of underwater tourism in the Great Barrier Reef and the influence of the Gulf War on regional tourism the Atlas of Travel and Tourism Development is a new departure from conventional texts providing a unique overview of the growth of the tourism industry Divided into three sections the text looks first at the past examining the influence of global geography on travel patterns and provides an overview of the history of travel and tourism It then moves onto the present using a regional framework to demonstrate how the physical and historical geography of each area is related to tourism development The final section provides a forecast of future trends for the next two decades *Routledge Revivals: Trade, Travel and Exploration in the Middle Ages (2000)* John Block Friedman, Kristen Mossler Figg, 2017-07-05 First published in 2000 Trade Travel and Exploration An Encyclopedia covers the people places technologies and intellectual concepts that contributed to trade travel and exploration during the Middle Ages from the years C E 525 to 1492 This comprehensive reference work contains entries on a large number of subjects including familiar topics such as the voyages of Columbus and Marco Polo and also information that is more difficult to find for example the traditions of travel among Muslim women and the influence of Viking travel on navigation and geographical knowledge Bringing together more than 175 scholars from a variety of disciplines it minimizes Eurocentric bias and offers extensive coverage of such topics as travel within Inner Asia Mongol society and the spread of Buddhism Including an extensive map program and more than 125 illustrations as well as bibliographies a comprehensive index and see also references Medieval Trade Travel and Exploration is a valuable reference guide for undergraduate and graduate students scholars and also the general reader Journey DK, 2022-05-27 Follow the voyages of the Vikings pursue plundering pirates trace the Hippie Trail or set off on a flight to the Moon A thrilling expedition awaits you on every page Journeys have arisen from all manner of impulse from migration and the search for food to pilgrimages trade scientific curiosity or simply the quest for adventure Includes stories of human movement and endeavor Journey lets you experience the excitement and romance of travel covering everything from quests across the Silk Road and the adventures of Marco Polo to explorations in space and underwater Discover ancient maps biographies of conquerors explorers and travelers stories of scientific discovery and technological innovation stunning works

of art and catalogs of travel related memorabilia This truly worldwide account is a glorious celebration of human journeys and will make an impressive gift for any lover of travel and history
