The Art of Management for Christian Leaders Theodore Wilhelm Engstrom, Edward R. Dayton, 1989 *Management by the Book* Robert Case, 2022-06-06 In *Management by the Book* Robert Case masterfully weaves Old and New Testament management examples and principles commentary from scholars insight from theologians practices from contemporary business owners and observations from Case himself to present a picture of management utterly unique in business literature

Church Leadership Lawrence O. Richards, Clyde Hoeldtke, 1988 As the body of Christ the church is basically an organism not an organization This fact is full of implications for the way the church organizes itself and the way leadership functions in the church No book on church leadership has become as controversial as this one Nor is there a book that spells out so clearly the scriptural implications of the present rule of Christ in the church and the calling of church leaders to be first of all servants This is must reading for pastors elders church staff members and students preparing for ministry in the church *Church Administration and Finance Manual* Otto F. Crumroy, Stan Kukawka, Frank M. Witman, Paul D.

Witman, 2023-09-19 A field tested guide to the management and finance of church congregations revised for a new generation Clergy are generally equipped to preach and provide spiritual care But when it comes to budgets insurance fire safety and church management many find themselves at a loss The *Church Administration and Finance Manual* is the classic guide to running a church written to answer key questions for clergy and lay leaders Not simply a theoretical resource the Manual provides suggestions for almost every aspect of parish administration position descriptions financial forms materials for stewardship and Christian education building use and safety issues employee record keeping and much more This revised edition offers guidance on many new topics that are of vital importance to churches including protecting children information security approaches to preventing and responding to violence planned giving social media and hybrid work and worship Whether clergy are just out of seminary or well seasoned in parish life the Manual is full of excellent guidelines tools and forms for improving the management of the parish *The Steward Leader* R. Scott Rodin, 2013-11-14 In this book R Scott

Rodin offers a unique and profoundly theologically informed model of leadership forged out of his extensive experience and theological studies This model is personal dynamic and transformative for the leaders themselves for the people they work with and for the institution or organizations in which they serve *Staff Your Church for Growth* Gary L.

McIntosh, 2000-05-01 Why when and how should a church add to its professional staff Here is a practical manual dealing with the issues of hiring and utilizing multiple staff positions to encourage church growth *Modern Metaphors of Christian*

Leadership Joshua D. Henson, 2020-01-11 This book explores contemporary metaphors of leadership from a biblical or church historical perspective It seeks to understand the cultural social and organizational metaphors from the Bible and the implications for contemporary organizations Addressing issues such as communication mentorship administration motivation change management education and coaching the authors explore concepts related to both for profit and not for profit

organizations This book will be a valuable addition to the leadership literature in showing how biblical leadership principles can be used in contemporary organizations

Authentic Managerial Leadership Robert A. Orr, 2011-07 Robert A Orr lives a fulfilling life which began with his birth in Argentina his boyhood and teenage years in Brazil and his college education and pilot s training in Canada He served as a trainer and pilot for seventeen years in Brazil and returned to Canada where he and his wife Adriana now live With a passion burden and commitment to address and meet the blatant need for authentic leadership and management training Robert continues to teach and mentor Christian leaders and leaders in the making around the world Three of his objectives are 1 Provide this resource material in many languages 2 Make this resource tool widely available to Christian workers missions ministries and the Church 3 Assist in meeting the crying need for a new strong youthful motivated energetic and visionary authentic managerial leadership characterized by godly principles and learned managerial skills What a massive amount of research has gone into this very fine guide I wish I could have had a copy of something like this 30 years ago I trust that it is getting into the hands of a large number of leaders and managers in our Christian community who can certainly use the guidance and direction you supply I was most pleased to note the number of times you quoted me and my writings in the manual I m complemented I was pleased to note that it is being translated into other languages for leaders in other cultures I trust that God will continue to use you and this type of training material to His glory for many years to come Dr Ted W Engstrom President Emeritus World Vision

Technology, Management and the Evangelical Church John Weaver, 2020-04-02 This book explores the technological innovations and management practices of evangelical Christian religions Beginning from the late 19th century the author examines the evangelical church s increasing appropriation of business practices from the secular world as solutions to organizational problems He notes especially the importance of the church growth movement and the formation of church networks Particular attention is paid to the history of evangelical uses of computer technology including connections the Christian Right has made within Silicon Valley Most significantly this book offers one of the first academic explorations of the use of cybernetics systems theory and complexity theory by evangelical leaders and management theorists

Minding God's Business Ray S. Anderson, 2008-10-01 Pastors leaders of Christian organizations and lay persons will find an invaluable guide and spiritual wisdom in this book Focusing primarily on the what rather than the how of managing Christian organizations Ray Anderson clearly presents a biblical and theological basis for understanding the unique characteristics of Christian organizations and what it means to manage such organizations in a Christian way Anderson emphasizes the role of leadership for pastors and those who manage Christian organizations providing helpful teaching on issues such as strategic planning the development of mission statements as a definition of the organization s goals and what it means to use biblical principles prayer and dependence on the Holy Spirit in carrying out the organization s goals
