instructive in the sense that S M provides a context in which one learns to exercise power and to submit to it in a responsible way Even in scholarly critical and theoretical discussions of S M the prevailing opinion is that the power exercised in sadomasochism is not real It is of course not real in the sense that slavery and violence no longer has a legal status But reality cannot of course be gauged or even approximated by its legal status alone For most practitioners it is hard to deny the reality of pain of humiliation of degradation in the moment of its enactment One can hardly deny the reality of bringing the whip down on someone s back or of having it sear across one s buttocks **Come Hither** Gloria G. Brame,2000-02-18 How do you tell your partner that you d like to be spanked Where can you find a good dominatrix If your husband like to wear your panties does that mean he s gay What really goes on at SM clubs After you tie someone up what exactly are you supposed to do Is there such a thing as normal sex If you ve ever wondered about the ins and outs of bondage spanking or cross dressing look no further Come Hither is a frank friendly guide on how to turn your secret fantasies into satisfying expressions of love and desire The official resource guide for SM fetish sex at the Institute for Advanced Study of Human Sexuality Come Hither proves that a little kink can be a lot of fun **New Books on Women and Feminism** ,1998
