Lauren Fournier, 2021-02-23 Autotheory the commingling of theory and philosophy with autobiography as a mode of critical artistic practice indebted to feminist writing and activism In the 2010s the term autotheory began to trend in literary spheres where it was used to describe books in which memoir and autobiography fused with theory and philosophy In this book Lauren Fournier extends the meaning of the term applying it to other disciplines and practices Fournier provides a long awaited account of autotheory situating it as a mode of contemporary post 1960s artistic practice that is indebted to feminist writing art and activism Investigating a series of works by writers and artists including Chris Kraus and Adrian Piper she considers the politics aesthetics and ethics of autotheory **The Theory and Practice of Modern Framed Structures:**

Statically indeterminate structures and secondary stresses Frederick Eugene Turneure, John Butler Johnson, Charles Walter Bryan, William Spaulding Kinne, 1929 *The Theory, Practice, and Interpretation of Customary International Law* Panos Merkouris, Jörg Kammerhofer, Noora Arajärvi, 2022-05-26 Although customary international law CIL has been central to international law from its inception it is often misunderstood This edited volume remedies that problem by tracing the history of CIL and provides an in depth study of its theory practice and interpretation Its chapters tackle the big questions which surround this source of international law such as what are the rules that regulate the functioning of CIL as a source of

international law Can CIL be interpreted Where do lines between identification interpretation application and modification of a rule of CIL lie Using recent developments this volume revisits old debates and resolves them by proffering new and innovative solutions With detailed examples from international and national courts it places CIL in a range of settings to explain explore and reflect upon this developing and highly significant field This title is also available as Open Access on Cambridge Core

Rhetorical Theory Timothy Borchers, Heather Hundley, 2018-03-30 From the moment we begin to understand the meanings of words and symbols we have used rhetoric It is how we determine perceptions of who we are those around us and the social structure in which we operate Rhetorical Theory Second Edition introduces a broad selection of classical and contemporary theoretical approaches to understanding and using rhetoric Historical context reveals why rhetorical theories were created while present day examples demonstrate how they relate to the world in which we live Borchers and Hundley present conceptual topics in a succinct and approachable manner The text is organized topically rather than chronologically so similarities and differences are easily detected in central ideas Each chapter is enhanced by the inclusion of theorist biographies applications of theory to practice and Internet exercises The Second Edition expands coverage on mediated rhetoric feminist rhetoric alternative rhetorical theories including Afrocentricity and intersectionality cultural and critical rhetoric and postmodern implications of rhetoric
