Art Director At Work:

Becoming a Successful Art Director Steven Brower, 2015 For many design students the expectation is that they will one day reach the top of the ladder within a design studio or corporation and become an art director But what does this mean and how does a design student get there What does an art director do How is it different from being a designer How does one lead and inspire a team work with freelance designers illustrators and photographers How do they sell this work to editors department heads and clients *Becoming a Successful Art Director* answers all these questions for design students and professionals alike It is at once an illustrated art book a handbook on how to be creative in this exciting work environment and a guide to what to expect on entering the workplace Giving practical hands on advice for both beginning and advanced students It will provide a clear picture for graphic design and illustration students of how to work with art directors and the range of industries where an art director might be employed **The Art Director at Work** Art Directors Club (New York, N.Y.), 1959
