

A detailed wood carving of a bear, likely a grizzly or brown bear, is the central focus. The bear is shown in a dynamic, walking or lunging pose, with its head turned slightly to the right. The carving is made from a light-colored wood, possibly basswood, and is set against a dark, richly grained wooden background. The bear's fur is suggested by the texture of the wood grain and the way the carver has shaped the body. The bear's legs are thick and powerful, and its claws are visible. The overall impression is one of strength and naturalism.
